SATURDAY, FEBRUARY 13, 1858.

Legislative Council of India.

The 6th February 1858.

THE following Bill was read a second time in the Legislative Council of India on the 6th February 1858, and was referred to a Select Committee who are to report thereon (under a suspension of the Standing Orders) within a fortnight:—

A Bill to authorize the confiscation of, or the imposition of fines on, Villages and other places for offences committed by the Inhabitants.

WHEREAS it is expedient to provide for the confiscation of Villages, and the imposition of fines upon the Inhabitants thereof, for certain offences committed within such Villages or by any large number of the Inhabitants; and also to authorize the imposition of fines upon the members of tribes in certain cases; It is enacted as follows:—

I. If it shall appear to the satisfaction of a Magistrate empowered to impose fines on the Inhabitants, or to confiscate Villages, for certain offences, of any Village within his jurisdiction, or any large number of the Inhabitants of such Village, although the individual offenders cannot be identified, have since the 1st day of May 1857 been guilty of rebellion, or of waging war against the State, or of murder, or of any of the offences specified in Section II Act XVI of 1857; or if it shall appear to the satisfaction of a Magistrate that any European has been murdered, or been subjected to any violent personal outrage in any such Village, and it shall not be proved to the satisfaction of the Magistrate that the Inhabitants of such Village used all the means in their power to prevent the commission of the offence; it shall be lawful for the Magistrate to impose a fine upon the

Inhabitants of such Village, or upon any specified class of the Inhabitants of such Village; the amount of the fine to be fixed with reference to the means of the Inhabitants or class of Inhabitants, and the nature of the offence or offences committed. If the owner or owners of the Village shall not prove to the satisfaction of the Magistrate that he or they used all the means in his or their power to restrain the Inhabitants thereof from the commission of the offence, the Magistrate may confiscate the Village, either in lieu of, or in addition to, the imposition of such fine upon the Inhabitants.

II. If it shall appear to a Magistrate that any members of a particular tribe have since the said 1st day of May 1857 been guilty of any of the abovementioned offences within the limits of his jurisdiction, it shall be lawful for the Magistrate to impose a fine upon the whole tribe residing in the neighbourhood of the place where the offence or offences was or were committed.

Also to impose a fine on a whole tribe for offences committed by any members thereof.

III. It shall also be lawful for a Magistrate to impose a fine upon any Village within his jurisdiction, if it shall appear to his satisfaction that, at any time after the passing of this Act, any rebel, mutineer, or deserter, or any person proclaimed by Government as a rebel, or for whose apprehension a reward shall have been publicly offered, or any person who shall have escaped from jail or other custody whilst under sentence of imprisonment or under trial for any offence mentioned in Section III Act of 1858, has been knowingly harboured or concealed within such Village; or that any arms or other property belonging to the East India Company have been knowingly concealed therein.

IV. The Magistrate may exempt from liability to pay any portion of a fine imposed under the provisions of this Act, any person whom he shall consider entitled to such exemption in consequence of his having delivered up or given such information as shall have led or shall be calculated to lead to the apprehension and conviction of any rebel, mutineer, or other offender specified in Section I of this Act, or to the recovery of any arms or property belonging to the East India Company.

V. Whenever a Magistrate shall order the confiscation of a Village or the imposition of a fine under this Act, he shall report his proceedings to the Commissioner of the Division. The Commissioner may either confirm the proceedings of the Magistrate, or amend or vary the order as he may think fit; provided that he shall not make any order which the Magistrate could not have made in the first instance.

VI. If the order of the Magistrate be approved or modified by the Commissioner, notice of the final order shall be given by affixing such notice at the Mal Cutcherry of the Village or of the land liable to be affected by such order, or at the Village Chowree, Chowpal, or other conspicuous place in the Village to which the order relates.

VII. In case any fine imposed by this Act be not paid within a time to be fixed by the order for the payment thereof, such time not being less than three months from the date of the order of the Commissioner, the Magistrate may proceed to confiscate the Village, or to hold it under attachment until the fine shall be paid; or he may proceed to recover the amount of the fine from the person liable for the Government Revenue, by the process authorized by law for the recovery of arrears of Revenue; or from any of the Inhabitants of the Village, or from any member of the tribe upon which the fine shall have been imposed, by the process authorized for the recovery of arrears of Rent.

VIII. Any confiscation or sale under this Act shall have the effect of cancelling all under-tenures in the Village or land sold, and shall authorize the ejectment of all tenants or cultivators of land therein, and shall also have the effect of avoiding all incumbrances of the whole or any part of the Village which shall have been created after the date of the commission of the offence mentioned in the Magistrate's order, and all incumbrances created before the date of the commission of the offence if the incumbrancer shall have been in possession at the time, and also all incumbrances made after the passing of this Act unless the same shall have been made and registered three months before the commission of the offence or the day specified in the Magistrate's order as the date of the commission of the offence.

IX. All the provisions of this Act which authorize the imposition of a fine upon the Inhabitants of a Village, shall extend to the Inhabitants of any Mohalla or Division of a City or Town; and the amount of any fine imposed under this Section, if not paid, shall be levied by process of distress and sale of such part of the personal property of any of such Inhabitants as shall suffice to make good the amount.

X. All orders made by a Magistrate in carrying out the provisions of this Act shall be final, except so far as is otherwise provided by Section V of this Act.

XI. This Act shall take effect only in such Districts or places to which it shall be extended by order of the Governor General in Council or of the Executive Government of any Presidency or place.

XII. The word "Magistrate" shall include every person exercising the full powers of a Magistrate, and every person authorized by the Executive Government to exercise the powers vested in a Magistrate by this Act.

XIII. No action or other proceeding shall be commenced or prosecuted against any person for any thing done under the authority of this Act.

SIR,

I have the honor to forward, for submission to His Excellency the Commander-in-Chief, copy of a letter of the 9th instant, from Lieute-

nant-Colonel C. C. Deacon, of Her Majesty's 61st Regiment, transmitting a statement of the operations against the Magazine in the City of Delhi, which was gallantly and successfully stormed by a Column under his Command on the 16th September last, the circumstances connected with which, reflecting great credit on all engaged, were, I regret to find, omitted in my Despatch of that date.

2. I also beg to submit a letter of the 24th September, from Major J. Brind, of the Artillery, detailing the operations of a Detachment under his Command against the Jumma Musjeed, which led to the capture and occupation of that important post on the 20th idem; and I beg to bring this Officer to Sir Collin Campbell's very favorable consideration for his valuable services on this, as on every other occasion on which his energy and gallantry have been called into requisition.

3. I have to beg you will do me the favor of soliciting His Excellency to forward both these communications to Government, with my request that they may be published in continuation of my Despatches connected with the fall of the City of Delhi.

To

BRIGADIER LONGFIELD,
Late Commanding 4th Column,

Ferozepore, 9th January 1858.

SIR,

Having attentively perused the several Despatches which have been recently published, in reference to the late operations, before and subsequent to the Assault on the City of Delhi, and observing that no notice has been made of the Capture of the Magazine, beyond the fact of its having fallen on the 16th September last, up to which period it was the only Arsenal in possession of the Mutineers of the Bengal Native Army: however late it may now be, I feel it to be due to that portion of the Troops, which formed the Storming Party then under my Command, as per

250 H. M.'s 61st Regiment, Commanded by Lieutenant-Colonel Deacon.

margin, to forward the annexed statement, with a view to your doing me the honor to forward the same to Major-General Sir Archdale Wilson, K. C. B., for transmission to, and for the information of, His Excellency the Commander-in-Chief and the Government.

2. I may, I trust, be permitted to bring to the Major-General's and your own recollection, that although I was not the Senior Officer at the time, that Lieutenant-Colonel Farquhar, of the Belooch Battalion, on the previous evening (the 15th September), requested permission to be allowed to waive his right of Command in my favor, until after the Capture of the Magazine had been effected; and I trust I may therefore be permitted

to lay claim to the honor of carrying out the Major-General's instructions, and for which I received, in presence of H. M.'s 61st Regiment, the Major-General's congratulations on the success of my proceedings on the morning of the 16th September, about half an hour after the fall of the Magazine to our arms.

I have, &c.,

(Signed) C. C. DEACON, Lieut.-Col.,

H. M.'s 61st Regiment,

Late Commanding Storming Party.

STATEMENT OF LIEUT.-COL. C. C. DEACON, Commanding H. M.'s 61st Regiment, and late in Command of the Force that assaulted and captured the Delhi Magazine on the 16th September 1857.

In compliance with instructions to that effect direct, and personally from Major-General Wilson, Commanding the Delhi Field Force, an Attacking Party as per margin, under my Command, paraded, on the 16th September 1857, for the purpose of assaulting the Magazine within the walls of the City of Delhi.

2. The Force assembled in the College Gardens half an hour before day dawn, and was immediately formed into a Column of Attack, headed by H. M.'s 61st Regiment, supported by the 4th Punjab Infantry under the Command of Captain Wilde, with the Belooch Battalion under the Command of Lieutenant-Colonel Farquhar in reserve; and at day-break, having previously taken ground to the left flank, until the Column was brought to face the Breach which had been made the previous day, the attack commenced. Not a word was spoken, or a trigger pulled, until the stormers and the support had reached the summit of the Breach and the Magazine Yard, when a cheer and a charge were given and made, on which the Enemy, taken most completely by surprise, fled precipitately, throwing down their port-fires at their Guns. Several of them were bayoneted close to the Breach, the others were closely pursued by H. M.'s 61st and the 4th Punjab Infantry. A party under Lieutenant-Colonel Rainey, H. M.'s 61st Regiment (under the guidance of Captain H. W. Norman, A. A. G.), having passed through the Magazine, turned to their left, and spiked a Gun, which was in position on the Eastern wall of the City, and which was pointed at the College Garden Battery. On being reached, the Enemy fought very desperately. In addition to those who were killed within the Magazine grounds, many were shot down beyond the walls and within the buildings which stand between them and the Palace.

3. On reaching the summit of the Breach, two heavy iron Guns (apparently 32-Pounders) were found pointed at it loaded, one of which was temporarily spiked by Assistant Surgeon T. H. Reade and Color Sergeant Mitchell, both of H. M.'s 61st Regiment. Two 10½-inch (apparently) Mortars were likewise found in position in the Magazine Grounds facing the College Gardens. These were presently wheeled about, and a fire from them opened on the Palace and Selimghur.

4. So unexpected was the assault, that the casualties at the moment were most trifling, only one Private of Her Majesty's 61st Regiment killed, together with three Privates and one Seikh of Captain Wilde's Corps wounded.

5. Having successfully conducted the assault, I then sent Lieutenant-Colonel Rainey, Her Majesty's 61st Regiment, back to the Magazine, requesting that he would convey my wishes that the Belooch Battalion should retain possession of it and man the walls, until the return of Her Majesty's 61st and the 4th Punjaub Infantry, which was accordingly done; and on the Force being again concentrated, Lieutenant-Colonel Farquhar, as the Senior Officer present, assumed the Command; the 4th Punjaub Infantry, in compliance with previous orders, having proceeded to the College.

6. I must beg leave to state, that on the present, as well as on every occasion, from the period the Left Wing of Her Majesty's 61st Regiment, under the Command of Lieutenant-Colonel Rainey, joined its Head Quarters, I have ever received that Officer's ablest assistance and co-operation; that the 4th Punjaub Infantry nobly supported Her Majesty's 61st at the assault; while to Lieutenant-Colonel Farquhar and to Captain Wilde I am much indebted for the able assistance they rendered me in carrying out Major-General Wilson's orders.

7. I have only to add, that some 170 odd Guns, of kinds, together with stores of all descriptions, were found in the Magazine; that during the course of the fore and afternoon of the 16th September, attacks were made by the Enemy, which were repulsed on every occasion, and at every point, by the Troops, then within the walls, under the Command of Lieutenant-Colonel Farquhar, and some loss was sustained, Casualty Lists of which were sent in at the time; but throughout, nothing could have surpassed the ardour and gallantry of both the Officers and Men who were engaged in the assault, and who I had the honor and good fortune to lead.

I have, &c,

(Signed) C. C. DEACON, *Lieut.-Col.,*

TO

MAJOR EWART,
Deputy Assistant Adjutant General.
Dereah Gunj, Delhi, 24th September 1857.

SIR,

Understanding that reports of services performed by detached commands or special duties are to be made direct to you, for the information of Major-General Wilson, Commanding the Delhi Field Force, I have the honor to submit the following.

On the morning of the 20th instant, about day-break, I proceeded to the Burn Bastion, to ascertain that the Guns were provided with sufficient Ammunition, Details, &c. &c. After firing upon the flying Enemy along the front of the Ajmere

Gate, and towards the woods in rear of Kisshungunj, it was reported that a rapid advance upon the Jumma Musjeed would place it—and, from its commanding position, the rest of the City—in our possession. Brigadier Jones was on the spot, but as he required Captain Boyd, Commanding the 2nd Fusiliers, to be ready to accompany him to the Ajmere Gate, I offered my services, having

Artillery.

ing to accompany the
Artillery under my
Command with the Advance Columns, and requested that the Detachment as per margin might be placed at my disposal. Lieutenant Genneste, of the Engineers,

with a party of the Sappers, volunteered to accompany me. By the aid of pressed Guides, and two Irregular Cavalry (Punjaub) Troopers, we occupied, one after another, the prominent posts leading to the Jumma Musjeed, such as the Kutwalee, Sonalee, and Futtahporsee Musjeeds, &c. &c., without difficulty or accident, having merely to force the gates and slay a few rebellious or suspicious characters. On taking possession of the Jumma Musjeed, and making the necessary disposition of my Artillery and Infantry, I was compelled to have the Durwan (who treacherously led a Serjeant of the 8th Queen's, Havildar of Coke's Punjab Corps, and two Regimental Bheesties under a heavy fire of Musketry from the Fort walls) of the Musjeed executed in the street to the front. The effect of these measures, together with the orderly and rapid movements of my Detachment, had a most favorable result, and contributed towards the almost bloodless success of the Military operations of the day, and the successful and complete occupation of the City, &c. of Delhi.

The steady, soldier-like, and determined bearing of the Detachment of Her Majesty's 8th Regiment, under the Command of that zealous and judicious Officer, Captain Bannatyne, made my task light. During the night of the Mutiny at Jullundur, when all were taken by surprise, and the rush upon our Guns of the panic-struck residents threw the Troop into a state of inaction, I experienced the most cheerful and judicious aid from Captain Bannatyne, who, on this occasion, so ably supported me. To Lieutenant Genneste, of the Engineers, and the Officers Commanding the Detachments of Artillery, Lieutenant Wilson, H. A., and Lieutenant Harrington, of Captain Bouchier's Battery, I am much indebted for the valuable assistance they rendered me in the advance; as also to Lieutenant Sconce, of the same Battery, who brought up a reinforcement. My Detachment forced an entrance into the Jumma Musjeed about an hour and a half prior to the assault upon the Palace. I at once reported my position for the orders of the Major-General, and made over Command of the post to Lieutenant-Colonel Greathead the following morning.

I have, &c,

No. 239 of 1858.—In continuation of G. G. O. No. 182, of the 29th January 1858, the Hon'ble the President of the Council of India in Council has much satisfaction in publishing the following Despatch from Major-General Sir J. Outram, G. C. B., Commanding in Oude, reporting the result of an attack made on his position by the Enemy on the 16th January 1858:—

No. 63.

FROM

MAJ-GEN. SIR J. OUTRAM, G. C. B.,

Commanding in Oude,

TO

GENERAL MARSFIELD,

*Chief of the Staff of the Army in the
East Indies.*

*Dated Camp Alum Bagh,
17th January 1858.*

SIR,

I have the honor to report, for the information of His Excellency the Commander-in-Chief, that the Enemy made an attack on my position yesterday, similar to that reported in letter of the 12th instant, except that, though they did not show in such general strength, their attack was more bold than before. In the morning they made a sudden attack on the Jullalabad Picquet, and were received with a heavy fire, which drove them back immediately, leaving on the ground their leader, a Hindoo devotee representing Hunnoman, who was advancing bravely at their head, and several killed and wounded, whom they were unable to carry off. As they were seen removing many bodies, their loss must have been severe. Two 9-Pounders, under Captain Moir, were sent down to support the Picquet, and completed the expulsion of the Enemy from the cover in its front.

On the left front and left, the Enemy advanced skirmishers and threatened during the greater part of the day, suffering severely whenever they ventured within range. After dark they assembled in great strength in front of my left advanced village out-post, Commanded by Major Gordon, 75th Regiment, and attacked it with a large body of Infantry, who were allowed to approach within 80 yards of the post, when they were received with discharges of grape from three Guns and a heavy fire from the Rifles of the post, which inflicted very severe loss, and drove them off immediately. Some shells from an 8-inch Mortar expedited their retreat. The Enfield Rifles and Captain Maude's Guns in Alum Bagh had several opportunities of inflicting severe loss on the Enemy, which were promptly taken advantage of. A large body of Cavalry showed on my left rear, and were safely left to the vigilance of Captain Olpherts, who watched and kept them in check with his four Horse Battery Guns, supported by a Detachment of the Military Train under Captain Clarke.

The casualties of my Force during the day amounted to—

- 1 Bombardier, killed.
- 7 European Infantry, wounded.
- 1 Gunner, wounded by a fall from his Gun.

The judgment and coolness with which Major Gordon defended his post, deserve much praise; he was ably supported by Lieutenant Clarke, Commanding the Battery.

Much credit is also due to Lieutenant Wynne, of Her Majesty's 90th, who Commanded the Jullalabad Picquet.

Also to Lieutenant-Colonel Smith, Commanding the post, and Captain Maude, Commanding the Artillery at Alum Bagh.

To Captain Ratray, Commanding the Infantry, Lieutenant Gully, Commanding the Battery of No. 1 advanced out-post on the left, and to the Officers and Men of their posts for their vigilance and alertness in checking and punishing the Enemy at every opportunity.

Civil Service Annuity Fund.

NOTICE.—Under Article XXIV. of the Rules of the Fund, the Committee of Managers convene a Meeting of the Subscribers of the Annuity Fund on 1st May next, at 11 o'Clock A. M., to consider the subjoined copy of Despatch from the Hon'ble the Court of Directors:—

Extract from a Despatch from the Hon'ble the Court of Directors, addressed to the Government of India, in the Financial Department, No. 74 of 1857, dated the 28th October.

Para. 9.—Our Despatch to your Government

Letter from, dated 24th April 1857, No. 64.

Forward copy of an application from Mr. G. Allen, of the Bengal Civil Service, and a Member of the Legislative Council, with reference to the orders of the 1st April 1842, by which it was resolved that the resignation of the Service for the purpose of accepting an Annuity shall, in the case of Civil Servants holding appointments in Council, provisional or otherwise, be expressed in such form as shall be at the time a resignation of such appointment as well as of the Service generally.

dated 2nd February 1842, No. 4, was designed to guard against the admission of a Civil Servant to receive an Annuity whilst he continues in Council. The

Resolution which you passed on receipt of that Despatch is clearly applicable to Legislative Councillors; but we shall not object to such an alteration being made in the Annuity Fund Regulations, as will allow of the Annuity to a Member of Council commencing from the day on which his term of service as Councillor expires, instead of from the 1st May preceding.

10. We concur in your suggestion that, in cases in which, under the literal bearing of the new Rule, limiting the period of service to thirty-five years, Civil Servants might be required to leave the Service at any time between the 1st May in one year, and the 1st May in the next, they shall be allowed to retain their appointments until the 1st May following the date on which their period of service may expire.

By Order of the Managers,

J. W. DALRYMPLE,

Secretary.

WEDNESDAY, FEBRUARY 17, 1858.

Legislative Council of India.

The 6th February 1858.

THE following Bill was read a second time in the Legislative Council of India on the 6th February 1858, and was referred to a Select Committee who are to report thereon (under a suspension of the Standing Orders) within a fortnight:—

A Bill to authorize the confiscation of, or the imposition of fines on, Villages and other places for offences committed by the Inhabitants.

WHEREAS it is expedient to provide for the confiscation of Villages, and the imposition of fines upon the Inhabitants thereof, for certain offences committed within such Villages or by any large number of the Inhabitants; and also to authorize the imposition of fines upon the members of tribes in certain cases; It is enacted as follows:—

I. If it shall appear to the satisfaction of a Magistrate that the Inhabitants of any Village within his jurisdiction, or any large number of the Inhabitants of such Village, although the individual offenders cannot be identified, have since the 1st day of May 1857 been guilty of rebellion, or of waging war against the State, or of murder, or of any of the offences specified in Section II Act XVI of 1857; or if it shall appear to the satisfaction of a Magistrate that any European has been murdered, or been subjected to any violent personal outrage in any such Village, and it shall not be proved to the satisfaction of the Magistrate that the Inhabitants of such Village used all the means in their power to prevent the commission of the offence; it shall be lawful for the Magistrate to impose a fine upon the

Inhabitants of such Village, or upon any specified class of the Inhabitants of such Village; the amount of the fine to be fixed with reference to the means of the Inhabitants or class of Inhabitants, and the nature of the offence or offences committed. If the owner or owners of the Village shall not prove to the satisfaction of the Magistrate that he or they used all the means in his or their power to restrain the Inhabitants thereof from the commission of the offence, the Magistrate may confiscate the Village, either in lieu of, or in addition to, the imposition of such fine upon the Inhabitants.

II. If it shall appear to a Magistrate that any members of a particular tribe have since the said 1st day of May 1857 been guilty of any of the abovementioned offences within the limits of his jurisdiction, it shall be lawful for the Magistrate to impose a fine upon the whole tribe residing in the neighbourhood of the place where the offence or offences was or were committed.

III. It shall also be lawful for a Magistrate to impose a fine upon any Village within his jurisdiction, if it shall appear to his satisfaction that, at any time after the passing of this Act, any rebel, mutineer, or deserter, or any person proclaimed by Government as a rebel, or for whose apprehension a reward shall have been publicly offered, or any person who shall have escaped from jail or other custody whilst under sentence of imprisonment or under trial for any offence mentioned in Section III Act of 1858, has been knowingly harboured or concealed within such Village; or that any arms or other property belonging to the East India Company have been knowingly concealed therein.

IV. The Magistrate may exempt from liability to pay any portion of a fine imposed under the provisions of this Act, any person whom he shall consider entitled to such exemption in consequence of his having delivered up or given such information as shall have led or shall be calculated to lead to the apprehension and conviction of any rebel, mutineer, or other offender specified in Section I of this Act, or to the recovery of any arms or property belonging to the East India Company.

V. Whenever a Magistrate shall order the confiscation of a Village or the imposition of a fine under this Act, he shall report his proceedings to the Commissioner of the Division. The Commissioner may either confirm the proceedings of the Magistrate, or amend or vary the order as he may think fit; provided that he shall not make any order which the Magistrate could not have made in the first instance.

VI. If the order of the Magistrate be approved or modified by the Commissioner, notice of the final order shall be given by affixing such notice at the Mal Cutcherry of the Village or of the land liable to be affected by such order, or at the Village Chowree, Chowpal, or other conspicuous place in the Village to which the order relates.

VII. In case any fine imposed by this Act be not paid within a time to be fixed by the order for the payment thereof, such time not being less than three months from the date of the order of the Commissioner, the Magistrate may proceed to confiscate the Village, or to hold it under attachment until the fine shall be paid: or he may proceed to recover the amount of the fine from the person liable for the Government Revenue, by the process authorized by law for the recovery of arrears of Revenue; or from any of the Inhabitants of the Village, or from any member of the tribe upon which the fine shall have been imposed, by the process authorized for the recovery of arrears of Rent.

VIII. Any confiscation or sale under this Act shall have the effect of cancelling all under-tenures in the Village or land sold, and shall authorize the ejectment of all tenants or cultivators of land therein, and shall also have the effect of avoiding all incumbrances of the whole or any part of the Village which shall have been created after the date of the commission of the offence mentioned in the Magistrate's order, and all incumbrances created before the date of the commission of the offence if the incumbrancer shall have been in possession at the time, and also all incumbrances made after the passing of this Act unless the same shall have been made and registered three months before the commission of the offence or the day specified in the Magistrate's order as the date of the commission of the offence.

IX. All the provisions of this Act which authorize the imposition of a fine upon the Inhabitants of a Village, shall extend to the Inhabitants of any Mohulla or Division of a City or Town; and the amount of any fine imposed under this Section, if not paid, shall be levied by process of distress and sale of such part of the personal property of any of such Inhabitants as shall suffice to make good the amount.

X. All orders made by a Magistrate in carrying out the provisions of this Act shall be final, except so far as is otherwise provided by Section V of this Act.

XI. This Act shall take effect only in such Districts or places to which it shall be extended by order of the Governor General in Council or of the Executive Government of any Presidency or place.

XII. The word "Magistrate" shall include every person exercising the full powers of a Magistrate, and every person authorized by the Executive Government to exercise the powers vested in a Magistrate by this Act.

XIII. No action or other proceeding shall be commenced or prosecuted against any person for any thing done under the authority of this Act.

No. 62

FROM

MAJ.-GEN. SIR J. OUTRAM, G. C. B.,
Commanding in Oude,

TO

MAJOR H. W. NORMAN,
Deputy Adjutant General of the Army,
Camp, Alum Bagh, 16th Jan. 1858.

SIR,

IN consequence of my having received no Report from the Officer Commanding at Alum Bagh, the services of the Garrison and of particular Officers have not been brought to the notice of His Excellency the Commander-in-Chief.

I therefore beg leave to submit, for the information of His Excellency, a Report recently received from Major McIntyre, H. M.'s 78th Regiment, of the occupation and defence of Alum Bagh, from the 25th September, when he was placed in Command of that post by the late Major-General Sir H. Havelock, K. C. B., until the arrival of His Excellency the Commander-in-Chief's Force.

During the earlier portion of Major McIntyre's occupation of Alum Bagh, whilst cut off from communication with Cawnpore, uncertain of the fate of the rest of the Force from the moment when he lost sight of it in the suburbs of Lucknow, and surrounded by a numerous Enemy, his Command

was one of grave and anxious responsibility, and the firm and able manner in which he used his small resources to repulse the attacks of the Enemy, to strengthen his defences, and overcome the difficulties of his situation, and the cheerful conduct of the Troops under laborious duties, merit my cordial acknowledgments, and will, I feel sure, meet with His Excellency's approbation.

I beg to second most strongly the recommendation which Major McIntyre makes in favor of his Second in Command, Major Sibley, who Commanded at Alum Bagh, during three weeks, whilst Major McIntyre was on the sick list, also of the several Officers of the Staff or Commanding Detachments favorably mentioned by Major McIntyre.

I also beg permission to submit Brigadier Eyre's Report of the Artillery operations of the Oude Field Force, from the 21st September to the 24th November, which I have recently received. I beg now to recommend the several Officers mentioned by Brigadier Eyre, whose names have not already been submitted for the favorable notice of Government, for their service under their distinguished Commander, particularly Lieutenant A. Fraser, Brigade Major of Artillery, whose name, I regret to find, was omitted; but whose gallantry and very zealous services deserved favorable notice.

Captain Evans, of the Bombay Native Infantry, doing duty with the Artillery, was of much service in the Artillery Park, at the evacuation of the Residency of Lucknow.

Lieutenant T. H. Harward, of the Artillery, performed good service as Commissary of Ordnance at Cawnpore, and during the march to Alum Bagh.

Lieutenant J. Anderson, of the Engineers, Commanding Engineers of the Lucknow Garrison, though confined to his couch by illness, never ceased to exert himself to supply the Engineer Department with materials, and Lieutenant J. M. Jones gave very valuable aid in the mining operations until he was also disabled by ill-health and fatigue.

The services of Captain Maycock, Deputy Assistant Quarter Master General, were highly appreciated by the late Sir H. Havelock, and his personal attendance on myself during the march to Alum Bagh in the actions of the 21st and 23rd September, deserved my thanks and commendation.

I have the honor to be, &c.,

J. OUTRAM, Major-General,
Commanding in Oude.

FROM

MAJ. & BT. LT.-COL. MCINTYRE,
78th Highlanders,

TO

COLONEL R. NAPIER,
Chief of the Staff with the Force
under Maj.-Gen. Sir J. Outram.
Camp near Alum Bagh, 3rd Jan. 1858.

SIR,

HAVING been directed to report upon the circumstances attending the occupation and defence of the Alum Bagh, I have the honor to state, for the information of the Major-General Commanding, that on the advance of the Force on Lucknow, on the 25th of September last, under the late Major-General Sir Henry Havelock, K. C. B., I was appointed, by that Officer, to the Command of the place, with Detachments of Regiments

consisting of about 280 Europeans, some Sikhs, and four Guns. In it were placed the Sick of the Force, amounting to 128 men, of whom 64 were wounded, the Baggage, Commissariat, Treasure Chest, Reserve Ordnance Park, and a large quantity of small Arm Ammunition.

The Native Followers, Government and otherwise, could not have amounted to fewer than between four and five thousand persons, with an enormous number of Cattle of various descriptions. The supply of food for the Native Followers did not exceed the consumption of a few days, and we had little or nothing for the Cattle but what could be procured by foraging parties. Fortunately, some crops of Rice and other Grain, nearly ripe, were on the ground sufficiently near to enable us to gather them under the protection of our Guns. As these became consumed, the sufferings of the Native Followers from want became, I regret to say, very great. Any thing that could be thought of was done to alleviate them. Driven by starvation to seek for food too far in advance of our foraging parties, numbers were cut up by the Enemy, who surrounded us. The efforts made to relieve their wants from Cawnpore were for a considerable time unsuccessful, as even quill communications by cordials failed to reach their destination; however, on the 7th of October, a convoy of provisions, escorted by a party of 250 Men and two Guns, and Commanded by Major Bingham, H. M.'s 64th Regiment, reached us from Cawnpore, and on the 25th of the same month, a large convoy, intended for Lucknow, escorted by 500 Men and four Guns, under the Command of Major Barnston, H. M.'s 90th Regiment, reached the Alum Bagh. These enabled me to relieve, to a certain extent, the wants of the Native Followers. 150 men of Major Bingham's party were ordered to remain to reinforce the Garrison and 100 to return to Cawnpore by a forced night march to escort return Cattle.

Major Barnston's Detachment was ordered, after having rested for a day or two, to return to Cawnpore. As the Enemy had, however, appeared in very great numbers, and had become more daring than usual, I took upon myself the responsibility of detaining them, which turned out fortunately, for in a day or two I received an order to do so permanently. This gave me a Force of 900 Europeans and ten Guns, which enabled me to increase my foraging parties, and then range.

To take steps for the immediate defence of my post was my first care, and I made use of every available means to accomplish it. Subsequently more permanent works were ably constructed by Lieutenant Judge, of the Engineers, assisted by Mr. Tait, Civil Engineer, attached to that Department. These were partially completed only, however bastions at the angles and a banquettes beside were so, and the mango tops cut down in all directions round the post.

The Enemy constructed batteries, at different periods, at five different points, around us, and their fire was at times exceedingly annoying and destructive to the Native Followers and Cattle from their necessarily crowded state; but I am happy to say that during the period of our holding the position—forty-nine days—one European Soldier only was killed and two wounded.

Jellalabad—occupied in force by the Enemy with Cavalry, Infantry and four Guns—formed a sixth and dangerous neighbour; but on two

occasions only did they bring out their Guns and open fire, and they were then soon silenced.

A two Gun Battery at the Yellow House, about the Enemy's cars and silenced by our Artillery fire, under the able direction of Captain Moir, of the Bengal Artillery, was repaired during the night; but on a repetition of our fire, was again silenced, and eventually they withdrew their Guns from it.

The duty was at first very severe on both Officers and Men; but was performed most cheerfully by both. Much praise is due to the Artillery and Men attached, on whom it was even more severe than on the others.

From about the 3rd to the 22nd of October, in consequence of my illness, the Command of the post devolved on Major Sibley, of H. M.'s 64th Regiment, in charge of the Treasure Chest, the next Senior Officer, from whom I on all occasions received every assistance.

I trust the Major-General will not think it presumptuous on my part to bring to his notice the names of those Officers (in addition to those already mentioned) who were most conspicuous in the performance of their duties, and deserve much credit. They are—Captain Maycock, Deputy Assistant Quarter Master General; Lieutenant Gordon, Bengal Artillery, who Commanded the Detachments Artillery until the arrival of Captain Moir; Lieutenant Sandwith, H. M.'s 84th Regiment, Acting Field Engineer, (Lieutenant Sandwith was subsequently killed in Lucknow); Lieutenant Haldane, H. M.'s 64th Regiment, Acting Field Engineer; Lieutenant Morland, Acting Staff Officer (1st Bengal Fusiliers).

The unwearied attention of Surgeon Innes, of H. M.'s 84th Regiment, and Surgeon Dominietta, of H. M.'s 75th Regiment, to the Sick and Wounded, and their exertions on entering the Alum Bagh with 64 wounded men, deserve the greatest praise.

May I be permitted to add that I on every occasion received the greatest assistance from Captain Moir, of the Artillery, who was over at his post.

I have the honor to be, &c.,

J. MCINTYRE, Major, 78th Highlanders,
& Brevet Lieut-Colonel.

FROM

MAJOR V. EYRE,

Commanding Artillery Brigade,

TO

COLONEL R. NAPIER,

Chief of the Staff with the Force

under Maj-Gen. Sir J. Outram.

Camp, Alum Bagh, near Lucknow,
The 8th January 1858.

SIR,

THE publication of Major-General Sir James Outram's Despatches having brought to light the accidental omission of any detailed Report from the Artillery Brigade under my orders, I gladly avail myself of his kind permission to fill up the blank, which I do the more readily since it affords me a fitting opportunity of placing on record publicly my own professional testimony of the signal services rendered by those whom it

was my good fortune to Command during the recent operations at Lucknow.

2. On the lamented death of Brigadier Cooper on the 26th September I succeeded to the Command of the Brigade, and during my subsequent severe illness my place was temporarily filled by Captain Olpherts.

3. Owing partly to these changes, and partly to the constant occupation which the daily exigencies of the service demanded from Officers and Men in the Artillery, written Reports were not expected, and hence it may have heretofore escaped mention that, for two special acts of gallantry on the 23th September, both Captain Maule, R. A., and Captain Olpherts, B. A., Commanding Field Batteries, were rewarded by the late Major-General Sir H. Havelock, K. C. B., with the much coveted distinction of the Victoria Cross.

4. I hope I shall be pardoned for this passing allusion to a fact so gratifying to the pride of the combined Artillery arms of England and India, which, in this campaign, have for the first time encountered the Enemies of their common country side by side in friendly emulation.

5. Never, I firmly believe, were Field Batteries exposed to a severer trial than that which attended the penetration of Lucknow on that memorable day! On Captain Maule, who was in advance, devolved the difficult task of silencing the Enemy's Guns which defended the bridge leading to the City. This he accomplished under a murderous cross fire of grape and musketry, with a loss of one-third of his men; and it was for his nerve and coolness on this occasion, (but for which the Army could not have advanced) that Major-General Sir James Outram, who was an eye-witness of his conduct, recommended him for the high distinction above recorded.

6. Captain Olpherts was almost simultaneously earning similar laurels by the conspicuous gallantry with which he assisted H. M.'s 90th Light Infantry, led by the lamented Colonel Campbell, in the capture of two Guns on our right, under a heavy fire of grape; carrying them off in triumph, attached to his spare limbers, through a most galling cross fire of musketry from the loopholes of neighbouring houses and walled gardens.

7. To narrate our whole proceedings on that day would involve too lengthy details, suffice it therefore to say that, after crossing the bridge, we met no serious obstacle until coming under the fire of grape and musketry from the King's Palace and the adjacent buildings on our left, and of round shot and shell from the Guns across the river on our right.

8. As our Force pushed on towards where the beleaguered Garrison of Lucknow were anxiously expecting deliverance, each battery in turn unlimbered on the road, to silence, if possible, the Enemy's Guns, and thus protect the advance of the main column. While thus engaged, the Gunners stood firm and undaunted like so many targets for the Enemy's concealed sharpshooters and grape shot, which latter ploughed up the ground on all sides, committing fearful havoc, as our list of casualties sufficiently testifies.

9. It was late at night ere the entire main body got out of fire; but two heavy Guns, under Lieutenant J. M. Fraser, together with some thirty ammunition and store carts, having remained

at the Motee Munzil, with a party of H. M.'s 90th, under Colonel Campbell, to protect the rear-guard and wounded, were unable to accomplish a junction with the main body until the morning of the 27th. The position of the 24-Pounder Gun was one of great peril, from which it was with difficulty extricated, chiefly through the able and energetic measures of Captain Olpherts, who had been sent back to render assistance, as very fully described and acknowledged by Colonel Napier in that Officer's Report, already published.

10. It was here that those brave and lamented Officers, Brigadier Cooper, B. A., and Captain Crump, M. A., his Brigade Major, fell victims to their noble zeal. Here also it was that Private Duffy, of the 1st Madras Fusiliers, a Volunteer with the Artillery, earned the Victoria Cross by his cool intrepidity and daring skill in assisting to extricate one of the Guns from its desperate position. Colonel Napier also speaks in high terms of Lieutenant Fraser's exertions on this occasion.

11. On succeeding to the Command of the Brigade, I appointed Lieutenant Fraser my Brigade Major, and found him most efficient, in fact I cannot speak too warmly of his soldierly zeal and devotion, which, thenceforward down to the present time, I have had constant opportunities of witnessing, and I regard him as a young Officer of the highest promise.

12. Being myself prostrated by fever for several weeks after our relief of the Lucknow Garrison, the temporary Command of the Artillery was most effectively exercised by Captain Olpherts, whose well-tryed abilities always prove equal to every emergency. During the interval of seven weeks that elapsed until the happy arrival of His Excellency the Commander-in-Chief's Force, the Artillery was chiefly occupied in defensive warfare against foes whose numerical strength and advantages of position enabled them to surround and worry us at every point.

13. Owing to the paucity of our numbers from casualties and the great extent of our position, this involved a very great amount of labour for the Artillery, who were on continuous duty at their Guns without any relief, besides working hard in the construction of fresh batteries whenever required. Under all their fatigues, privations, and dangers the best spirit prevailed from first to last among the men, who considered no sacrifices too great for the accomplishment of the noble end in view, viz., the deliverance of their countrywomen and wounded comrades from the worst of fates.

14. It is satisfactory too to be able to state that the Native Establishments attached to Field Batteries, consisting of Gun Lascars, Horse and Bullock-drivers, Syces and Grass-cutters, behaved most loyally, though suffering as severely as any of the Troops in killed and wounded, yet none deserted! Sirdar Driver Gungon, and Naik Darsan, of the Syce Drivers (killed by a round shot), both of No. 12 Light Field Battery, were particularly noted for their loyal devotion.

15. On the 16th November the near approach of the Commander-in-Chief's Force was the signal for renewed offensive operations on our side. These have been already alluded to in the late Sir H. Havelock's Despatch of that date. Our object was to drive the Enemy from certain strong positions which he occupied between us and the ad-

vancing columns, and in this we entirely succeeded, thereby greatly facilitating the junction of the two Forces, and saving the valuable lives of our Soldiers.

16. The batteries, which had been for some time previously constructed for this purpose, were concealed behind a lofty wall forming the boundary of our position in that quarter. On them were mounted four, 18-Pounder Iron Guns, one 8-Inch Iron Howitzer four 9-Pounder Field Guns, and two 24-Pounder Field Howitzers, under the skilful direction of Captain Olpherts, Lieutenants Fraser and Smithett (the latter twice wounded and distinguished on several occasions,) and Staff Serjeant Melville, of the 1st Company 5th Battalion. In position behind were six 8-Inch Mortars under Captain Maude, R. A., most ably assisted by Lieutenants Maitland, R. A., and Simpson and Ward, of the B. N. I., the two latter being Volunteers well instructed in Artillery Science.

17. At the appointed time large openings were effected by the united force of mines and breaches in the screen wall in our front, and the batteries opened an excessively hot fire for three hours on the buildings beyond, which were occupied in considerable force by the Enemy. Sufficient impression having been thus made, and mines having been exploded by the Engineers in several contiguous quarters, storming parties rushed out at 3 P. M., and quickly carried all before them with trifling loss.

18. During the night the Artillery pushed forward their heavy Guns to the advanced positions thus gained, when some batteries were rapidly constructed from which to open on the King's Palace, now within easy breaching distance. On the 17th our 8-Inch Howitzer shelled the Tara Kotee and Mess House with great effect, setting fire to the former and materially assisting the attack of the advancing force on the opposite side, although perhaps unknown to them, as it must have been difficult for them to distinguish our distant fire from that of the Enemy.

19. On the 18th a junction having been effected between the two Forces on the previous night, a joint bombardment took place of the King's Palace, in the outer wall of which several large breaches were rapidly effected, and great havoc made in the principal buildings behind it. This was continued at intervals, on the two following days, with great loss of life to the Enemy crowding within, as was subsequently ascertained, and there can be little doubt that had it suited our plan of operations, we might have at once walked into the place and occupied the Palace with comparatively little loss. But the great object we had in view having been triumphantly accomplished in the safe rescue of the sick, wounded and women from their recent perils, any longer delay at Lucknow was considered inexpedient until they should be safely conducted beyond the reach of their merciless foes; and on the night of the 22nd we effected our final evacuation of the entrenchment.

20. Measures had been previously adopted for the removal or destruction of all our spare Ordnance, Ammunition and Military Stores. This entailed an ordinary amount of labour and physical endurance on the part of those to whose lot it fell to convey so many ponderous carriages by manual

force through the narrow and intricate mazes of the Chuttur Munzil and Furhut Bux Palaces—a duty in which the Artillery were cheerfully aided by their Infantry comrades, who on all occasions have volunteered their services, both for ordinary labour and also for the higher obligations of manning the Guns when circumstances required.

21. Our hearty acknowledgments are also due to our scientific brethren of the Engineers, for their cordial and effective co-operation, to which we are no doubt indebted greatly for whatever success has attended our efforts.

22. Lieutenant Thomas, Madras Artillery, Commissary of Ordnance, I always found indefatigable in his duties, which were latterly very severe, as on him devolved the laborious preparations for removing our Magazine, and destroying such Guns and Military Stores as we were unable to carry away. With a very small Establishment he effected all this as satisfactorily as could be expected. Lieutenant J. Alexander, Artillery, of the Lucknow Garrison, also worked zealously with the Guns in position, and deserves creditable mention.

23. Before concluding this Report I wish to record the excellent services rendered to the Artillery by Captain Evans, of the Bombay Infantry, who Commanded with great credit several Guns in position in the entrenchment, and whose zeal and devotion were conspicuous. Also those of Lieutenant Ouseley, of the B. N. I., who likewise attached himself to the Guns and rendered himself extremely useful.

24. Surgeon Irvine and Assistant Surgeon J. J. Clarke are also particularly deserving of mention for praiseworthy zeal in the discharge of their professional duties.

25. Lieutenant Delisoase, Artillery, one of the few survivors of the Cawnpore massacre, was attached as a Volunteer to Captain Olpherts' Battery, and behaved with great gallantry on the 25th September as well as in the previous engagements at Mungulwar and Alum Bagh. I regret to add that the privations and trials he thus for a second time endured in a beleaguered Garrison at length broke down his enfeebled frame, and obliged him to proceed with the sick to Cawnpore.

26. Among the Non-Commissioned Officers whose conduct most commended itself to notice were Serjeant Major Burd and Staff Serjeant Roddy, of the 2nd Company 3rd Battalion, and Staff Serjeant Melville, of the 1st Company 5th Battalion. The latter had twice distinguished himself before in Arrah. I beg most earnestly to recommend them to the consideration of superior authority.

27. Serjeant Major Lamont, of the Royal Artillery, fell gloriously at his Gun on the 25th of September, deeply lamented by the whole Artillery Brigade. He was a first-rate and most gallant Soldier, and must have attained honor and distinction had he survived.

28. Lieutenant D. Gordon, who had assisted me most zealously in working the heavy Guns in the actions of Mungulwar and Alum Bagh, was left behind at the latter place in Command of a portion of the heavy battery, as also Lieutenant G. M. Clerk, with two 9-Pounder Field Guns of Captain Olpherts' Battery, and I understand they were unable to

render material assistance in the defence of that important position.

I have the honor to be, &c.,

VINCENT EYRE, Major,

Comdg. Arty. Brigade, Oude Force.

P. S.—The last sentence had scarcely been penned when I was startled by the announcement that poor Lieutenant D. Gordon has been just killed in the Alum Bagh by a round shot. I deeply regret the loss of this most amiable and excellent young Officer.

No. 66.

TO

THE CHIEF OF THE STAFF,

Army Head Quarters, Futtygurh.

Camp near Secundra,

The 25th January 1858.

SIR,

As you have already been informed by my telegraphic message of this date, the three Columns of this Field Force, previously posted respectively at Mahowl, Belkuchlee, and Badshapore, made a concerted movement twelve miles to their left, the right and centre Columns on the 19th instant, and the left Column on the 21st.

2. This brought the latter, under Colonel Ingram, 97th Regiment, and of the strength noted marginally, to Secundra.

With six Field Guns.

Here, on the afternoon of that day, I learnt that the Nazim Fuzil Azem, with 8,000 men and 14 Guns, was still at Soraou,

seven miles distant from my Camp in a Westerly direction, while 200 matchlock-men were at Nusrutpore, the residence of Beni Bahadur Singh, one of the most influential Talooqdars of this District, who has been most active in raising the population of this neighbourhood against our Government.

3. The Nazim, who had been appointed Governor of the District by the Rebel Government of Lucknow, has held possession of it for the last seven months, and has had his out-posts at Capamow, within four miles of Allahabad.

4. The position of Nusrutpore, situated two and a half miles North-west of Secundra, is one of the strongest and most difficult of approach I have ever seen. A dense jungle, through which runs a chain of hillocks, extends a mile and a half North-east and South-west. At its North-western extremity is the stronghold of Beni Bahadur Singh, a two-storied country house of solid masonry, surrounding which an extensive bastioned entrenchment had been thrown up, and a deep ditch cut. The entrances were all barricaded and covered by abatis.

5. During the night of the 21st, and early morning of the 22nd, the Nazim, dreading to await our approaching reinforcement of Cavalry in the more open neighbourhood of Soraou, moved by his left and occupied this position ; and so confident was he of its impregnability, that he announced the completion of this movement by a salute of seven Guns as a challenge to our Force.

6. But he was not destined long to enjoy his fancied security. I was compelled to defer the combat during the whole of the 22nd (though my baggage having been previously thrown into an entrenched enclosure, with a suitable Guard, under Captain Matheson, 13th Irregular Cavalry, my Force was in readiness for an immediate advance), for I was momentarily expecting the arrival of the promised reinforcement of two Squadrons of the 2nd Dragoon Guards and 4 Horse Artillery Guns from Allahabad.

7. These Troops*—detained by some delay at that place—having reached me on the night of the 22nd,

With three 6-Pounders and one 12-Pounder Howitzer.

I moved out on the following morning, making a wide circuit towards Soraou, as if to turn the right flank of the Enemy's

position, but actually to push a reconnoissance towards that place, and ascertain whether there was any truth in a report that the Nazim had left a part of his Force there, to fall on our left flank and rear.

8. My Cavalry Patrols soon ascertained that Soron was evacuated, and being thus convinced that the Enemy was concentrated at Nusrutpore, I changed direction and approached that position.

9. The Infantry moved in quarter distance Columns at deploying distance; Her Majesty's 97th Regiment in the centre, the Shere Regiment of Goorkhas on the left, the Burruj Bahadoor Battalion on the right, covered by the Horse Artillery Guns under Colonel D'Aguilar, C. B., disposed two on each flank, and by two Guns of No. 2 Madras Light Field Battery under Major Cotter, and three 9-Pounders, Commanded by Captain Thring, R. A., in the centre—the whole supported by 100 selected marksmen of the 97th, under Brevet Lieutenant-Colonel Burton. The two Squadrons of the Bays protected our flanks, moving in rear of them out of reach of fire.

10. The close nature of the country every where, covered with high crops and thick tops of trees, rendered it necessary to move with caution.

11. The advanced posts of the Enemy, fearing to be intercepted, abandoned at our approach the Indigo Factory of Kapoorie, half a mile in front of the main position, in which they had originally placed two Guns, and which, if obstinately defended, would have much opposed our advance. This was seized by our skirmishers with a rush.

12. As we passed the Factory, the line was deployed, the Guns advanced at a gallop, and taking post within 600 yards of the Enemy, opened on the fortified house and its vicinity a concentrated fire, which soon caused him to abandon the whole front, and withdraw his Artillery further into the jungle, where his fire gradually slackened, and it became apparent that he was about to relinquish the position.

13. On this I directed one Squadron of the Bays, with two Horse Artillery Guns under Colonel D'Aguilar, to sweep round and threaten the Enemy's right, while the other Squadron, Commanded by Major Smith, 2nd Dragoon Guards, with the two remaining light Guns under Major Yates, R. A., made a flank movement to the right, and watched his left.

14. The 9-Pounder Battery continued its fire, under cover of which the Infantry broke into upon column of Companies right in front, and encircled the Enemy's left rear, in which direction, as far as could be distinguished through the dense brush jungle, which covered his front, his fire was gradually retrograding.

15. During this flank movement, the Squadron of the Bays, under Major Smith, seeing a Gun in their front, behind a breast-work on the Enemy's extreme left, and the intervening ground appearing favorable, attempted to charge it, but arriving suddenly in full career on a deep and impassable ravine, which had hitherto been hidden from their view, with a steadiness which reflects the greatest credit on them, pulled up and retired to their former position, in support of the Guns.

16. Meanwhile the left Squadron and Guns, under Colonel D'Aguilar, skirting the right of the jungle, entered and captured the Enemy's Camp, from which he retired precipitately, abandoning a Gun in his flight.

17. The Infantry, supported by the 9-Pounder Battery, moving steadily round the Enemy's left rear, came eventually on his line of retreat; but so rapid was his flight, that he was enabled

to withdraw nearly all his Guns, and the skirmishers alone were able to close with the rear of the fugitives, of whom they shot and bayoneted great numbers.

18. By this time the Cavalry and Horse Artillery Guns from both flanks having united, were ready to continue the pursuit, but so much had the difficult nature of the ground, every where intersected by ravines and the density of the jungles, impeded their movements, that darkness closed in before this junction was effected.

19. But the great result had been gained of the complete dislodgement of the Enemy from this strong position, with the loss of nearly 500 men in killed and wounded, while two Guns, much ammunition, and the whole of his Camp and Camp Equipage, fell into our hands. Our loss only amounted to 6 men wounded, 3 horses killed, and 4 wounded.

20. I have to record my obligations to Colonel Ingram, 97th Regiment, who Commanded the left Column of the Field Force engaged in this Action, and carried out any suggestions which I made to him in a manner which left nothing to be desired; to the Officer attached to him, Lieutenant S. Cury, 37th Regiment N. I., Staff Officer of the Column, and Lieutenant R. T. F. Hamilton, 97th Regiment, acting as his Orderly Officer.

21. Also to Lieutenant-Colonel Indra Singh, Commanding the Nepalese Troops, and Majors Chumpa Singh and Bheer Bant P., Commanding respectively the Burruj Bahadoor and Shere Goorkha Battalions. The steadiness under fire, cheerful alacrity, and great intelligence of our Allies, excited my warmest admiration, and I have had much pleasure in communicating to His Excellency Maharajah Jung Bahadoor the high opinion I entertain of those Regiments. The Officers attached to these Troops, Captain Miles, 23rd Regiment Native Infantry, in Military charge; Lieutenant Gully, 31st Native Infantry, acting with the left Battalion of Goorkhas, and Lieutenant Garden, have earned my best thanks. To the precision and rapidity of the fire of the Guns, both of Royal Horse, Madras, and Royal Foot Artillery, and that of the piece served by Goorkha Gunners, is to be attributed the rapid ejection of the Enemy from his strongly entrenched and nearly unapproachable position; and I beg to offer my acknowledgments to Lieutenant-Colonel D'Aguilar, C. B., R. H. A., Commanding the whole; to Major Cotter, Madras Artillery, whose Guns were manoeuvred and served in a manner that calls for my special notice; and to Captain Thring, R. A., in charge of three 9-Pounders. Major Smith, Commanding the two Squadrons 2nd Dragoon Guards, and Lieutenant-Colonel Legh, Commanding 97th Regiment, acquitted themselves to my entire satisfaction.

The perfect steadiness under fire of the Bays was most remarkable in such young Soldiers, and the destructive fire of the Rifle skirmishers of the 97th Regiment reflected the greatest credit on the attention which has been paid to their instruction.

22. Mr. Mayne, Joint Magistrate of Gopee-
gunge, Messrs. Jenkinson and Elliott, Civil Ser-
vice, and Mr. Carnegie, Head of the Intelli-
gence Department, afforded me the most im-
portant information (of which the result proved the
perfect accuracy) regarding the Enemy's position.
They assisted in carrying my orders, and in every
respect rendered me great assistance.

The two latter accompanied the right Squadron
of Bays in their charge.

23. The Officers of my Personal Staff, Captain
Havelock, Deputy Assistant Adjutant General (who,
guided by Messrs. Mayne, Jenkinson and Elliott,
reconnoitered the Enemy's position); Lieutenant J.
Wall, 87th Fusiliers, Deputy Assistant Quarter
Master General; Lieutenant Henderson, 10th Foot,
A. D. C.; and Lieutenant Innes, Field Engineer,
gave me every aid in their respective posi-
tions.

24. Yesterday I moved to Soraon, which
was found completely deserted by the Enemy, who
have retired across the Oude Frontier, entirely
evacuating the Allahabad District, this part of
which they have so long infested with impunity.

25. The Enemy's Camp at Nusrutpore was
burnt, with the exception of the Nazim's Durbar

Tent, which has been sent in to Allahabad, and
Boni Bahadoor Singh's stronghold has been des-
troyed.

26. The Civil Authority has been re-established
at Soraon, and I have requested that it may be
occupied by a Detachment of Sikhs from Allaha-
bad.

27. To-morrow the left Column will move to
Badshapore, and by the
30th instant I hope to have
three Columns of this Field
Force (strength as per mar-
gin) united at Budlapore,
awaiting His Excellency's
further instructions, and
in every respect prepared
for further offensive opera-
tions.

To

THE MAJOR OF BRIGADE, CAWNPORE.

Camp Cawnpore, 26th January 1858.

SIR,

I HAVE the honor to report, for the information of the Brigadier Commanding at Cawnpore, that, in accordance with my instructions, I started yesterday evening for the village of Secunderpore, with 100 (one hundred) men. On arrival at that place, I found that the Rebels had retired to a Garden about three miles off, where they were encamped to the number of about 300 (three hundred). As I received information there, that the party from Oonow was on its way back to that place, I at once pushed on, taking with me 100 (one hundred) matchlock-men. We took the Rebels by surprise and succeeded in cutting up about 40 (forty), the rest making their escape in the high cultivation.

I have the honor to be, &c.,

Fort William, 22nd February 1858.

No. 315 of 1858.—The Hon'ble the President of the Council of India in Council directs the publication of the following Report of the operations of the Cavalry Brigade under Brigadier, now Brigadier General, Hope Grant, C. B. :—

To

MAJOR H. W. NORMAN,

Asst. Adj. General of the Army,

Head Quarters.

Camp, Futtlyghur, 10th Jan. 1858.

SIR,

In compliance with the orders received from His Excellency the Commander-in-Chief, through you, I have the honor to forward a Report of the operations of the Cavalry Brigade at Delhi, in pursuit of the Mutineers down the Doab, and up to the time His Excellency joined the Force on the other side of the Ganges, on the way to Lucknow.

When this serious disturbance broke out H. M.'s 9th Lancers and two Troops of Horse Artillery constituted the European portion of the Force at Umballa, the remainder consisting of the 4th Light Cavalry (Lancers), the 5th, and 60th Regiments N. I.

Shortly after the news of the proceedings at Meerut and Delhi reached the Station, symptoms of disaffection on the part of these two Native Infantry Regiments became apparent: doubts also were entertained regarding the spirit of the Native Cavalry, and it behoved that the greatest watchfulness should be maintained by the European Troops, in expectation of an outbreak. They were, therefore, constantly, day and night, under arms, and at all times ready for immediate action, had such been necessary; indeed, on Sunday the 10th May, and on two or three other occasions, these Troops actually were in saddle.

The probability of any movement of these Native Troops were off as portions of the European

Infantry Regiments in the Hill Stations moved down to Umballa. By the end of the month of May a small compact Column had been assembled, and H. M.'s 9th Lancers formed the Cavalry of this Force. The 4th Light Cavalry (Lancers) were detached on duty to Saharunpore and other places in the vicinity of Umballa, except the Head Quarters and one Squadron, which accompanied the Force as far, towards Delhi, as Allipore, whence it proceeded to Meerut via Baghpat.

At Allipore, early in June, this Force, Commanded by Major-General Sir H. Barnard, K. C. B., was joined by that from Meerut, under Brigadier A. Wilson, and two Squadrons of the 6th Dragoon Guards, Carabineers, under Lieutenant-Colonel Custance, were added to the Cavalry.

These Squadrons had already, on the banks of the Hindun, had the opportunity, twice, of meeting the Mutineers, and had, under their able Commander, rendered essential service on each occasion.

The Rebels and Mutineers, having taken up a strong position, defended by Artillery, at a place named Badul-ke-Serai, about five miles from Delhi, the Force moved to its attack on the morning of the 8th June. Three Squadrons of the 9th Lancers, Commanded by Lieutenant-Colonel Yule, and two Troops of Horse Artillery were detached very early in the morning by the bank of the Canal to turn the Enemy's left. These Troops attained their point shortly after the attack commenced in front, and were soon in action. Two Squadrons and a portion of the Horse Artillery were very gallantly and successfully led by Lieutenant-Colonel Yule. The Cavalry charged the Rebels and rode through them. Lieutenant Jones, of the 9th Lancers, with his Squadron, captured one of their Guns, killing the Drivers, and, with Lieutenant-Colonel Yule's assistance, turned it upon a village occupied by the Rebels, who were quickly dislodged. This was a well-conceived act gallantly executed. The remainder of the Horse Artillery, for a short period, got into very difficult ground, from which they took time to extricate themselves. The other Squadron of the 9th Lancers was left for their protection.

The Squadrons of the Carabineers and 4th Squadron of the 9th Lancers were with the main body of our Troops, and did good service. The Carabineers, from the right of our line, drove the Rebels after they had broken across the Canal. The Rebels having been driven out of Badul-ke-Serai, a hot pursuit, towards Delhi, was taken up, but chiefly by the Infantry and Horse Artillery, as the ground on each side the road was covered by houses and enclosures.

The operations of the day terminated by the firm possession, by the British Troops, of the heights before Delhi.

From this period, during all the Siege, nearly the whole of the outpost duties fell to the lot of the Cavalry. This duty was a very arduous one. The Rebels were constantly threatening our right flank in particular, and our rear, so that both by day and night the Cavalry were liable to be, and were frequently turned out, and were necessarily held always in readiness.

On the 12th June the Guide Corps joined the Camp,—a very fine body, numbering about 260 men of Irregular Cavalry, Commanded by Captain

Daly. This Corps had already achieved a high renown by its excellent service in the Punjab; and had, soon after reaching Delhi, an opportunity of displaying its excellent qualities, as on the 19th a very serious attack was made on our rear, about 4 o'clock in the afternoon, by a strong Force of the Rebels with a numerous Artillery, who had posted their main body in a village beyond the Ochterlony Garden. Immediately on the commencement of the attack I moved out with the Cavalry and a portion of the Artillery; parties of whom acting on either flank of the garden named, drove the Enemy's Skirmishers back upon their position, and held them in check until the rest of the Artillery and the whole of the available portion of our small Force of Infantry could come up.

The ground was very disadvantageous for Cavalry, being much intersected by walls of gardens, &c.; but two Squadrons of the gallant 9th Lancers and the Guide Cavalry on our left, delivered a most successful charge, right at the Enemy, and drove them back completely. In this charge, I grieve to say, the 9th Lancers lost their gallant leader, Lieutenant-Colonel Yule, who was killed;—an excellent Officer, full of military ardour and zeal. The Regiment has to mourn in him the loss of one of its very bravest and most efficient Officers. Captain Daly also, leading his Guides, was severely wounded by a musket shot which, for the rest of the Siege, deprived the Corps and the Service at large of a most energetic, experienced Officer.

Ere the above was accomplished, evening had closed in, and soon it became too dark to distinguish friend from foe. The Enemy retired to their village, leaving a Gun and limber with its ammunition carriage on the ground. These were brought into our Camp on the following morning.

In my Despatch reporting this action, I had the sincere gratification of naming two Privates of the 9th Lancers, who had displayed signal gallantry in the fight,—Privates Thomas Hancock, who lost an arm on the occasion, and John Purcell, who had his horse shot under him, and was, I regret to say, afterwards killed at the assault of Delhi. Sir Henry Barnard was pleased to recommend that the Victoria Cross should be conferred on both. A Private Sowar also, named Rooper Khan, of the 4th Irregular Cavalry, my Orderly at the time, displayed great bravery and devotion in offering me his horse when my own had been killed under me, and was chiefly instrumental in aiding my escape from the midst of the Enemy. I am happy in being able to record his promotion to Duffadar, and his admission to the Order of Merit in reward of such excellent conduct.

About this period other Regiments joined the Cavalry Force; portions of the 1st, 2nd and 5th Regiments of Punjab Cavalry, and Hodson's Horse. The latter consisted entirely of new Levies; but have since greatly improved and become useful Troops. The Squadron Commanded by Lieutenant Gough has, under my own observation, performed very valuable service, and their gallantry has been conspicuously noticed in a Despatch of His Excellency the Commander-in-Chief. The Punjab Corps, under their distinguished leaders, Lieutenant Watson, Lieutenant Nicolson afterwards, and at the present time Captain Probyn and Lieutenant Younghusband, have proved themselves admirable Soldiers. Confident in their Offi-

cera and assured of victory, these Troops have never hesitated to attack the Hindustani Horsemen in any odds, and have invariably forced them to give way.

On the 9th July a party of the 9th Irregular Cavalry, whose conduct I had been for some time doubtful of, proved themselves false to their oath of allegiance, and a Picquet on duty on the right flank of the Camp admitted a Force of the Enemy's Cavalry within their post. These Horsemen entered the Camp, fought desperately, and tried to take away a Battery of Guns. They also rode up to a Picquet where we had two heavy Guns placed in position, intending to spike them; but they were gallantly withstood by a party of the 9th Lancers under Command of Lieutenant Martin, who prevented the attack being made. I beg to be allowed to copy part of a letter written to me by Captain Light, of the Bengal Artillery, the Officer in Command of the Picquet:—

"I believe that to the prompt manner in which Lieutenant Martin got his party under arms, and the bold way in which he placed them between the Enemy and the rear of my Battery, both myself and the party of Artillery under my Command are indebted for escaping from an attack which must have been disastrous."

The Cavalry were frequently employed during the Siege of Delhi in escort and patrolling duties, occasionally making distant reconnaissances; and in the month of August Lieutenant Hodson, with 200 of his own men and a Squadron of Guide Cavalry, proceeded to Rohtuck, where he fell in with a party of the Rebels and discomfited them, killing several; on one occasion, a Residar and 25 men of Irregular Cavalry whom he had surprised, Lieutenant Hodson displayed great intelligence and alacrity in this duty, extricating himself from more than one perilous position, and on his return to Camp was able to give valuable information of the state of the Districts he had passed through.

The Cavalry were also able to afford assistance to the Artillery in the trenches, in consequence of numerous casualties and sickness having reduced their numbers and rendered the duties very severe. I was requested by Major-General Wilson, at this time in Command, to furnish men from the Carabineers and 9th Lancers, and I ordered 10 of the former and 60 of the latter daily, under Lieutenants Blair and Evans, of the 9th Lancers, who volunteered their services on this duty. Nothing could be better or more praiseworthy than the way in which the men of these two Regiments vied with each other day and night in the performance of this severe work, and I beg to be allowed to record here extracts from the Despatches of Major-General A. Wilson, Commanding the Force, and of Major Bried, of the Artillery, who Commanded in the Batteries and witnessed their conduct:—

"I should neither be fulfilling the repeatedly expressed wishes of the Artillery Officers attached to this Force, nor following the dictates of my own inclination, if I failed to acknowledge the valuable assistance which has, throughout the operations before Delhi, been most cheerfully given by the Non-Commissioned Officers and Men of H. M.'s 9th Lancers and the 6th Dragoon Guards in working the Batteries. Without it, owing to the comparatively small number of Artillerymen, I should have been quite unable to man the Bat-

teries efficiently, or keep up the heavy fire which, aided by these men, I have happily been able to do.

(Signed) A. WILSON, Major-General,
Commanding Delhi Field Force."

"In expressing the high satisfaction I experienced in observing the zealous performance of duty on the part of the Foot Artillery with the Army of Delhi, I consider it incumbent on me to bring to the special notice of Major-General A. Wilson, the Officers and Men of the 9th Lancers, who were employed in the Batteries as Artillerymen under my Command and observation; Lieutenants Evans and Blair are deserving of honorable mention for the zealous and cheerful performance of their duties.

"The coolness and bravery of Officers and Men in situations of extreme danger, whilst engaged in a novel duty, called forth the admiration of all who witnessed it, and especially of those who had the satisfaction of serving with them.

(Signed) T. BRID, Major,
Comdg. Foot Art. & No. 1 Battery."

At 2 o'clock, on the morning of the day of assault, all the Artillerymen, with the exception of two Serjeants, had been withdrawn for other duties, and the Guns in the 24-Pounder Breaching Battery were manned by 30 men of the 9th Royal Lancers. Their services were acknowledged by the Assistant Adjutant General of Artillery in the following letter to myself, a part of which I have the honor to copy:—

"Taking advantage of the darkness, the Enemy had during the night crowned the breach in the Cashmere Curtain with gabions and fascines, which we discovered at daybreak, and as they would have presented a very serious obstacle to our assaulting parties, it was absolutely necessary to clear them away before the attack took place.

"Through the zeal and intelligence of your men, who worked like trained Artillerymen, I was enabled to accomplish this with perfect success, and Sir Archdale Wilson personally thanked them when he came down to the Battery for the very admirable services they had performed.

(Signed) G. B. JOHNSON,
Asst. Adj. Genl. of Artillery,
Lanc. Comdg. 24 P'r. Battery."

A few men of the Carabineers and 10 men of the 9th Lancers also did permanent duty,—the former with Major Tombs and the latter with Major Turner's Troops of Horse Artillery, in which they took their regular tour of all duties, and rendered, by their ready willingness and intelligence, most useful and efficient aid, for which these Officers have expressed their thankfulness.

On the 14th September, the assault on the City of Delhi commenced, in which 600 of the Cavalry,—200 of whom were of the 9th Lancers and the rest Punjab Irregular Cavalry,—took part. To their lot it fell to cover the Attacking Columns and our principal Batteries from the Enemy without the walls of the place, and strongly posted near the Lahore Gate and in the Kishengunge Suburb. Nothing could exceed the noble conduct of all, both Native and European. In a position whence, from the nature of the ground, they could make no attack, these gallant Troops were exposed for two hours to a very severe fire

both of Artillery and Infantry. In their front, the Enemy, flushed with success after having maintained their position at Kishengunge in face of an attempt to dislodge them by a small Column of our Troops from the right of Camp, moved down and occupied a small village about a hundred yards from the walls, with two 18-Pounders, which were in time silenced and spiked by our Horse Artillery; but on our right flank the fire of Artillery and Musketry from the Kishengunge Suburb which could not be kept down, as also from the Lahore Bastion, which had not fallen into our possession, was most galling. My A. D. C., Captain the Hon'ble A. Anson, was wounded in the hand, and Captain Prosser, 6th Dragoon Guards, Acting A. D. C., was dangerously wounded in the hand by a musket ball. The 9th Lancers were in first line supported by the Punjab Cavalry, and nothing could be finer than the unflinching coolness with which all these gallant Soldiers held this trying position. Nothing daunted by the numerous casualties and the certainty that they had only to endure; when I felt it my duty to praise their steady behaviour, they declared their willingness and determination to stand the fire as long as need be. The conduct of all—European and Native, Officers and Men—was most admirable. On this occasion the 9th Lancers were Commanded, with great coolness and judgment, by Captain Drysdale, a most gallant Officer, whose name I wish to bring under the favourable notice of His Excellency the Commander-in-Chief. The remainder of the Cavalry, under Command of Captain Anson, 9th Lancers, stopped behind for the protection of the Camp, which required the greatest vigilance and attention, and which was successfully performed. Until the final and complete fall of the City of Delhi on the 20th, the Cavalry were employed in protecting the Camp and covering the road leading therefrom to the Cashmere Gate, and on two occasions a Force made reconnaissances towards the Southern face of the City.

Hodson's Horse was employed in following up the retreat of the Enemy from Delhi, and owing to the activity and keen intelligence of their leader, succeeded in capturing the King of Delhi, who was brought in a prisoner; and a few days after, three of the King's sons were killed by them near Humayun's tomb. This Officer, with his Horsemen, was exceedingly useful in beating up the hiding places of the Rebels in the immediate neighbourhood of the City, and rendered most valuable service.

The portion of H. M.'s Carabineers were shortly detached with the Column under Brigadier Showers that operated to the West of the Jumna, and I regret to say I have no means at this time of placing on record the nature of the service they met with. Their previous history warrants me in the belief that they have surely sustained the good name they have so long and deservedly borne.

After the capture of Delhi, a Moveable Column, under Command of Brigadier O'Reilly, was despatched across the Jumna, and the following Corps of Cavalry formed part—H. M.'s 9th Lancers, Commanded by Captain Drysdale, and a Squadron each of the 1st Punjab Cavalry under Lieutenant Watson, 2nd Punjab Cavalry under Lieutenant Probyn, 5th Punjab Cavalry under Lieutenant Younghusband, Hodson's Horse under Lieutenant

Gough, the whole under Command of Major Oury, of the 9th Lancers, a most energetic, useful and brave Officer.

The Column left Delhi on the 24th September, and on the 28th encountered the Rebels and Mutineers at Bolundshuhur, where they had taken up a formidable position among the gardens and enclosures of the Civil Cantonment, having the Town in their rear. After having been beaten out of their position, the Cavalry were ordered to drive them out of the Town, and part of the 9th Lancers proceeded down one street, while another portion of the same Regiment, under Lieutenant Sarel, supported by Younghusband's Horse, took another road, the remainder of the Punjab Cavalry moving round outside the Town. This hazardous duty for Cavalry was ably executed. Captain Drysdale's Column pushed its way through, and discovered the Enemy reforming outside the Town. Preparing to return, they were instantly charged and dispersed. In this charge Captain Drysdale's horse was killed, and in falling that Officer's collar-bone was broken. Two men of the 9th Lancers—Lance Corporal Kells and Private Jordan—most gallantly extricated and brought away their Commander. Lieutenant Sarel was also successful, and cleared the portion of the Town through which he led his Squadrons; but in the act of running a Sepoy through, was shot in the hand and arm, and had one of his fingers blown away. Cornet Thanger was also wounded in the arm slightly. A most gallant feat was here performed by Lieutenant Blair, since exchanged into the 2nd Dragoon Guards, who was ordered

to take a party of 1 Serjeant and 12 Men* and bring in a deserted ammunition waggon. As his party approached, a body of 50 or 60 of the Enemy's Horse came down upon him from a village where they had remained unobserved.

Without a moment's hesitation, he formed up his men, and regardless of the odds, gallantly led them on, dashing through the Rebels. He made good his retreat without losing a man, leaving 9 of them dead upon the field. Of these he killed 4 himself; but to my deep regret, after having run a Native Officer through the body with his sword, he was severely wounded, the joint of his shoulder being nearly severed. This gallant young Officer is, I am thankful, doing well at Meerut, and will, I trust, be shortly restored to the Service in which his early career gives promise of distinction. Serjeant Shaw, of this party, also behaved in the most gallant manner. One of the men, Lance Corporal Andrews, lost his horse from falling with him. The Serjeant pulled up between him and the Enemy, and enabled him to effect his escape. The Serjeant's horse was wounded on the occasion, and if it had not been for a party of the 1st Punjab Cavalry, under Lieutenant Watson, coming up at the moment to their support, both these men would undoubtedly have lost their lives. Lieutenant Younghusband's Squadron charged a large body, and killed about 80 of the Enemy; and the remainder of the Punjab Cavalry cut up many more outside the Town.

On the 6th October the Column again attacked the Mutineers and Rebels at Allypore, and the Cavalry, Commanded by Major Ouvry, passing round the Town, fell in with them in retreat, and cut down about 200.

On the 8th the Punjab Corps were sent to a village named Akbarpore, belonging to two notorious Rebels, Mungul Sein and Achar Sein, whom they hoped to surprise. This was so well accomplished that both these Chiefs were killed and upwards of a hundred of their armed followers, our Cavalry having completely surrounded the village ere their approach was known.

On the following morning the Column moved to Bidgaur, about forty-four miles distant from the Parade Ground at Agra, whence, at the urgent summons of the Chief Commissioner for its immediate march, it proceeded with the utmost rapidity, and reached the Station on the 10th after a long and harassing march. Every thing had been reported quiet there, and although a strong Force of the Enemy was believed to be within ten or eleven miles of the place, no apprehension of any immediate attack existed.

The Regiments had hardly arrived and taken up the encamping ground on the Grand Parade, when four men disguised as *fakirs*, bearing tom-toms, came up to the Quarter Guard of the 9th Lancers. The Serjeant desired them to go away, but one of the villains drew a *tutu* and cut him down, then attacked another Serjeant and a Corporal, both of whom were wounded; but the Guard then moving out, all were killed. Hardly had this transpired, when Artillery concealed in the high Bajra Fields, opened from different positions a cross fire upon the few tents pitched causing some loss. In a moment every Soldier stood to his arms. The Artillery from their Parks, while their horses were being put to, returned the fire. The Cavalry were quickly mounted, and ere a few minutes had elapsed, the Troops were prepared to repel the attack.

The Enemy's Cavalry, about 300 in number, hoping to find us unprepared, came round by our left flank and made a rush upon the Camp but were most gallantly met and repulsed by a Squadron of the 9th Lancers, led by Captain French. This enabled the Artillery and the remainder of the Force to prepare to attack the Enemy's position; but I grieve to state that this advantage was purchased at the cost of Captain French's life, who fell, mortally wounded, in this charge, and the 9th Lancers lost a brave, daring Officer, of ripe judgment, highly valued by the Regiment. Lieutenant Jones also, whom I have before mentioned, was severely wounded; he was wounded by a shot, cut down, and afterwards received twenty-two sword cuts in different parts of his body. This young Officer had so far through this Campaign given evidence of the possession of many high Military qualities. Ever foremost in danger, ready to undergo any hardship or fatigue at duty's call, he has exhibited intelligence and judgment on every occasion of his having been employed. He will, I have every hope, be restored to health.

About this period of the action, one of our Guns, of which all the Drivers and Gunners had been wounded, fell into the hands of the Enemy; but was recovered by a gallant charge of a Squadron of the 9th Lancers, under Lieutenant Wilkinson, detached for this object from the rest of the Corps by Captain Anson, who moved in support.

After this our Troops being well in hand, moved to an organized attack, and drove off the Enemy,

capturing their Guns in different places until their Camp was reached, whence the Enemy, being in full retreat, were pursued by the Artillery and Cavalry as far as the Kharec Nuddee, ten miles, capturing Baggage, the remainder of their Guns, killing many, and entirely dispersing the whole Force. The Irregular Cavalry made a most dashing charge at a Regiment of Infantry, drawn up to cover three heavy Guns. They drove them away, cut up a number, and took the Guns.

Their intended surprise of our Troops turned out evidently a surprise to themselves, as they could not have calculated on the presence of Brigadier Greathed's Column. Guns, Ammunition, Stores, and Standing Camp, all fell into our hands. The victory was complete.

On the 14th the Column re-crossed the Jumna, and proceeded by the Mynpoorie road towards Cawnpore.

Having been appointed to the Command, I was enabled, after some difficulty, accompanied by my Brigade Major, Captain Hamilton, to join the Force on the 18th October.

The Column moved on by forced marches, and arrived near Kanauj on the 22nd, when information reached me that a small Force of the Enemy, with 4 Guns, had that morning left the Town with the purpose of crossing the Kali Nuddee, about two miles off. I immediately ordered off one Squadron 9th Lancers, with Watson's, Probyn's, and Younghusband's Squadrons, with 2 Guns, the whole under Major Ouvry's Command, myself following in support with another Squadron of the 9th Lancers and 2 other Guns. Major Ouvry came up with them, attempting to cross the Nuddee. The Enemy opened fire, which was quickly replied to and silenced, and their Guns taken. Major Ouvry had most successfully and with his usual gallantry, attacked them in a position where little resistance could be made. The Cavalry after this pursued them to the banks of the Ganges, executing great slaughter among them, and finally driving them into the river, in which several were drowned.

The Column pursued its march to Cawnpore, where it arrived on the 26th October, crossed the Ganges into Oude, and was engaged at Banterah on the 2nd November. In this skirmish the Cavalry and Horse Artillery endeavoured to come to close combat with the Enemy; but they would not stand; a 9-Pounder Gun was, however, captured.

His Excellency the Commander-in-Chief shortly after assumed Command of the Troops in the Field, and the career and conduct of the Cavalry since have been under his own observation. I must, however, before closing this Report, beg permission to bring prominently forward, for His Excellency's consideration, the names of four very gallant young Officers, whose acts of bravery may, I trust, be deemed by the Commander-in-Chief such as to merit his recommending the bestowal of the Victoria Cross.

These Officers are Lieutenant Blair, 2nd Dragoon Guards, and Lieutenant Jones, 9th Lancers. The particular instances of acts of bravery on their part I have already mentioned. The other two are Captain Probyn, of the 2nd, and Lieutenant Watson, of the 1st Punjab Cavalry. Captain Probyn has been distinguished for gallantry and daring throughout this Campaign. At the battle of Agra, when his Squadron charged the Rebel Infantry, he was some time separated from his men and surrounded by five or six Sepoys. He defused him-

self from the various cuts made at him, and before his own men joined him had cut down two of his assailants. At another time, in single combat with a Sepoy, he was wounded in the wrist by the bayonet and his horse also slightly wounded; but, though the Sepoy fought desperately, he cut him down. The same day he singled out a standard bearer, and in the presence of a number of the Enemy killed him and captured the standard. These are only a few of the gallant deeds of this brave young Officer. Skillful in the use of his sword and spear, and an excellent horseman, his active courage and coolness in conflict have borne him safely through many combats.

Lieutenant Watson, on the 14th November, with his own Squadron, and that under Captain (then Lieutenant) Probyn, came upon a body of the Rebel Cavalry. The Ressaldar in Command of them—a fine specimen of the Hindustani Mussulman,—and backed up by some half dozen equally brave men,—rode out to the front. Lieutenant Watson singled out this fine-looking fellow and attacked him. The Ressaldar presented his pistol at Lieutenant Watson's breast, at a yard's distance, and fired; but most providentially without effect; the ball must, by accident, have previously fallen out. Lieutenant Watson ran the man through with his sword and dismounted him; but the Native Officer, nothing daunted, drew his *tulwar*, and with his Sowars renewed his attack upon Lieutenant Watson, who bravely defended himself until his own men joined in the *mêlée* and utterly routed the party. In this rencontre Lieutenant Watson received a blow on the head from a *tulwar*, another on his left arm which severed his chain gauntlet glove, a *tulwar* cut on his right arm which fortunately only divided the sleeve of his jacket, but disabled the arm for some time; a bullet also passed through his coat, and he received a blow on his leg which lamed him for some days afterwards. His charger too was grazed by a bullet. On many other occasions, his good sword, wielded by a strong arm, directed by a brave heart and cool head, has laid low many an opponent in fair combat.

Nothing could have exceeded in gallantry and daring the conduct of all the four Officers whom I have thus prominently brought to notice.

I beg also to mention the excellent service and assistance I have on all occasions received from my Brigade Major (now Deputy Assistant Adjutant General of Division) Captain W. Hamilton, 9th Lancers, throughout the whole campaign. His exertions have been unceasing. He is brave, cool and collected in action, and at all times unremitting in attention to his duties, from which, in spite of the severity of the hot season and rains upon the constitution of so many, he was never day or night absent when called upon.

My Aide-de-Camp also, Captain the Honorable A. Anson, I wish to bring particularly to the favorable notice of His Excellency. His conduct has been most praiseworthy throughout the whole campaign. Animated by a most soldier-like spirit, active and intelligent, I have found him a most useful aid, and on all occasions my orders have been delivered with precision; and his own gallantry and bravery have been universally remarked upon. He was wounded at the assault of Delhi by a musket ball in the hand; but has, I am happy to say, some time since recovered and returned to his duty.

In conclusion I desire to express my obligation to the Officers, Non-Commissioned Officers and Men of both European and Native Cavalry under my Command for their excellent conduct and ready obedience under all circumstances. Their qualities as Soldiers have been fully tested by exposure to hardships during all seasons of the year in this trying climate, and by all other vicissitudes of a Soldier's career, and in no instance have they failed to fulfil their duty, and deserve my highest commendations.

I have the honor to be, &c.,

TO

THE SECT. TO THE GOVT. OF INDIA,

Foreign Department,

ALLAHABAD.

Camp Goruckpore, 7th February 1858.

SIR,

IN continuation of my letter, No. 139, of the 5th Instant, I have the honor to report, for the information of the Right Hon'ble the Governor General in Council, that after pushing forward the Second Brigade to Bilwa Bagaur in support of the leading one, as the Enemy was showing a boldness and insolence likely to prove troublesome, Captain Plowden, whom I had entrusted with discretionary power, and whose advice the Maharajah had directed his Officers to follow, resolved to move out and attack the Enemy at Shahgunge.

2. I have the honor to enclose Captain Plowden's account of the very creditable affair which ensued, and which His Lordship in Council will observe was successful but not decisive, as far as the destruction of the Enemy's Force or the capture of his Guns was concerned, owing to our want of Cavalry and the inability of the Goorkhas to overtake the flying Enemy. It is to be hoped, however, that the lesson given the Enemy, despite his superiority of numbers, may break up the motley force which threatened the Goruckpore District on the advance of the Maharajah into Oudh.

3. I would call the particular attention of His Lordship in Council to that Para of Captain Plowden's Despatch in which he makes honorable mention of the Goorkha Brigadiers, Run Sing and Jodabeer Adhikares, who displayed great coolness and courage, and a generous confidence in Captain Plowden's advice. Also the zealous ability of the Nepaulesse Artillery Officers, especially of Colonel Jumlheer Sing, Major Ingteer Kooner, and Captains Indeer Bear Lama and Maun Bahadur. The effective way in which these Officers handled their Guns, decided the day before the Infantry could close.

4. It is also my pleasing duty to bring to the notice of His Lordship in Council the services of Captain Plowden, whose plan of action was well conceived and ably carried out. He appears to have done all he could with the means at his disposal. Captains McNeill and Holland of the Artillery, and Lieutenants Foote and Cory of the Infantry, and Messrs. Brereton and Forbes of the Civil Service, rendered good service, and merit my thanks.

I have the honor to be, &c.,

TO

CAPTAIN MACANDREW,

Secty. to the Mily. Commissioner.

Camp Bilwa Ghat, 6th February 1858.

SIR,

I HAVE the honor to report, for the information of Brigadier General MacGregor, C. B., particulars of an attack made upon the Enemy yesterday by a division of the Goorkha Force under my charge, and which, I am happy to say, resulted in the dispersion of his Force, which amounted to not less than 10,000 men with 8 or 10 Guns.

The Enemy having had the boldness to take up a position within three miles of our Camp, and seize our Camp-followers, I deemed it necessary to attack him.

Having made the necessary arrangements for the protection of our Camp during our absence, I marched yesterday morning with the Force named

3 Light Field Howitzers,	{ Artillery.	in the margin towards the Enemy's position at Shahgunge. On arriving within a
2 Light Field Guns,

a mile of the latter place, I observed the Enemy in great force occupying a space of two miles in length. There gave directions for the Force to deploy; five Regiments in line, and one on either flank in reserve in open column of Companies to provide against an attack from the right or left.

Four Guns were placed in the centre and three on each flank. In this order we advanced for nearly half a mile, covered by skirmishers. The Enemy simultaneously advanced to meet us, at the same time firing off in masses to our right and left, believing that he might possibly attack our flanks and rear. I halted the line. When he approached within 500 yards, Captain McNeill opened his Battery on his right with most accurate precision, the shells bursting immediately over the Rebels, causing them at once to make a rapid retreat, and seek shelter in villages on their right and left. They were soon driven out of these by the well directed fire of the Batteries under the superintendence of Captains McVill and Holland, a shell from the former having set one of the villages on fire. After this the Force continued its advance as far as the village of Shah-runge, driving the Rebels before it, who retreated with such rapidity that they were in a short time out of Gun range.

During the whole of our advance we were threatened on both flanks by large bodies of Sowars and Infantry. Our left was within a short distance of the river, and opposite to the town of Adjooderah, from which place preparations were making for reinforcing the Rebels with Guns and Cavalry. Knowing this to be the case, I was obliged to be cautious in advancing, and the Enemy was enabled to make off with his Guns, which however, during the latter part of the action, were never brought nearer to us than 1,000 yards. In his retreat the Enemy abandoned the timber of a light field piece with ammunition, and which was brought into Camp. I was much struck with the steady advance of our line over a most unfavorable country, having to pass a succession of villages surrounded by fields in an advanced state of cultivation, which much impeded the rapidity of our progress. Our casualties were trifling,—one killed and one wounded,—while that of the Enemy was not less than 50. Some of the killed and wounded they carried off. Amongst the latter was Bani Sing, one of their chiefs. In conclusion I have to record the services of Brigadier Run Sing and Jodabbeer Adhikaree, who both displayed great coolness and courage and generous confidence in my advice. Captains McNeill and Holland have brought to my notice the deserving conduct of Colonel Juddheer Sing, Major Jugheer Kooner, and Captains Indroor Beer Lama and Maun Bahadur, of the Artillery. I also beg to recognize the meritorious services of the several Colonels Commanding the different Infantry Regiments, while the conduct of the Officers, Non-Commissioned Officers and Men of all branches deserve their high reputation for courage, and merit the gracious approbation of His Highness the Maharajah. My best thanks are due to the European Officers attached to this Force for the support I received from one and all in the field. I beg to mention for favorable notice Captain McNeill, who had charge of the Artillery; Captain Holland, in charge of Brigadier Jodabbeer Adhikaree's Brigade, and who also superintended the Battery on the left. The precision with which the Guns were fired elicited the admiration of all. My special thanks are due to Lieutenant Foote, who, besides attending to the duties of Run Sing's Brigade, displayed great activity during the day, and afforded me much assistance in conveying messages.

Lieutenant Cory also did good service with the Brigade to which he was attached.

Surgeons McClelland and Chalmers, and Assistant Surgeon Gee, accompanied the Force.

I cannot conclude without offering my best thanks to Messrs. Brereton and Forbes of the Civil Service, who accompanied me in the field, and rendered valuable assistance,—the former with his Sowars reconnoitred in every direction where danger was apprehended, and brought me information of the approach of the Enemy on our flanks. Mr. Forbes was active in conveying messages. Mr. Brereton's Sowars have done excellent service, having been employed night and day in patrolling, and watching the Ghauts, and have been constantly under fire.

Annexed is the Report from Captain McNeill, in charge of the Artillery attached to this Division.

CAPTAIN A. C. PLOWDEN,
*In Military Charge of a Division
of the Goorkha Force.
Camp Biliwa, 6th February 1858.*

SIR,

I HAVE the honor to submit, for your consideration, the following details of the part taken in the affair of yesterday, by the Nepaulese Batteries attached to this Division of the Goorkha Force.

2. In conformity with your plan of attack, submitted on the night of the 4th Instant for the approval of Brigadier Run Sing, and so successfully carried out on the following morning, I beg to state that two Guns having been left behind for the protection of the Camp, the remaining ten accompanied your Force, of which a Battery of three Guns were posted in advance of each wing of the Infantry line, while a Battery of four Guns covered the advance of the centre.

3. By this disposition, both our flanks were secured from the attempt of a numerous Cavalry to gain our rear, while a very heavy converging fire was available to break the Enemy's centre.

4. Our Guns first opened fire at a distance of about 4 or 500 yards; but the rapid retreat of the Rebels only permitted them, in a second advance, to come into action when about 8 or 300 yards distant from their opponents.

5. I observed with great satisfaction the precision and effect of the fire of the Nepaulese Artillery, as also the zealous ability of their Officers, especially of Colonel Juddheer Sing, Major Jugheer Kooner, and Captain Indroor Beer Lama and Maun Bahadur.

I have, &c.,

The Right Hon'ble the Governor General of India is pleased to publish for general information, the following Despatch from Lieutenant-Colonel P. V. Maxwell, C. B., 88th Regiment, dated 4th February 1858.

FROM

LIEUT.-COL. P. V. MAXWELL, C. B.,
88th Regiment,
Commanding detachment.

TO

BRIGADIER J. E. W. INGLIS,
Commanding at Cawnpore.

Camp Bhogneepore, 4th February 1858.

SIR,

I HAVE the honor to report that the Enemy from Oulpos attacked our position at 5 o'clock this morning. From the nature of the ground, which is much broken, and from the cover afforded by the crops which are high, it is impossible to compute their numbers; but from the extent of ground which they occupied, they must have been in considerable force.

I advanced with 5 Companies of the 88th Regiment, 2 Guns of Royal Artillery (9-Pounders) under Captain Talbot, and 50 Sowars under Lieutenant Thompson. We defeated the Enemy, and had a running fight of four hours. They disputed every inch of the ground, making a stand at Chowra, a village three miles from this place. We pursued them as long as possible, and they retreated across the river, keeping up the fire of their skirmishers to the very last.

I am happy to say my casualties are but few. Lieutenant Thompson, Commanding the Sowars, was severely wounded in the leg, and his horse was twice wounded; 5 Sowars are wounded (slightly), 1 Private, 88th Regiment, dangerously wounded; 1 Private, 88th Regiment, slightly wounded.

About 80 dead bodies of the Enemy were counted by my Officers,—all Sepoys.

Where all behaved well it is difficult to particularise; but I think it due to Major the Hon'ble J. J. Bourke, to bear testimony to the gallant and able manner in which he led on the skirmishers, and drove the Enemy out of the village of Chowra.

Forwarded by order of His Excellency the Commander-in-Chief for the information of the Right Hon'ble the Governor General.

The Right Hon'ble the Governor General is pleased to make the following temporary appointment:—

Mr Fitzherbert Kight to be a Veterinary Surgeon for special employment.

The Right Hon'ble the Governor General has great satisfaction in publishing for general information, the subjoined Despatch from the Governor General's Agent in Central India, dated the 3rd Instant, reporting the relief of the Fortress of Saugor by the Force under the Command of Major General Sir Hugh Rose, K. C. B.

The Governor General desires to record publicly his acknowledgment of the courage and constancy with which Brigadier Sage has, with a small and inadequate Garrison, held the Fort of Saugor during upwards of seven months under trying circumstances; and of the bravery and exemplary endurance with which the Brigadier has been, throughout that period, so well supported by the Officers and Men of the 1st Company, 3rd Battalion of Artillery, by those of the 31st Regiment N. I., by the Officers and some of the Men of the 42nd Regiment N. I., and the 3rd Irregular Cavalry, as well as by the Officers of the several Departments of the Staff and the Civil Establishments.

No. 36 of 1858.

FROM
SIR ROBERT HAMILTON, *Baronet,*
Agent to the G. G. for Central India.

To
G. F. EDMONSTONE, Esq.,
Sery. to the Govt. of India,

FORT WILLIAM.
INDORE RESIDENCY.

Camp Saugor, 3rd February 1858

SIR,

I HAVE much satisfaction in reporting, for the information of the Right Hon'ble the Governor General in Council, that the second Division of the Central India Force, under the Command of Major-General Sir Hugh Rose, K. C. B., relieved

Saugor this morning, emancipated the Officers and Men with their families, who had for seven months been confined to the Fort, and enabled them to return and occupy their barracks and residences in the Cantonments.

2. I have the honor to annex a list of European British subjects in, and not in, the Government Service, who have thus been relieved from all peril after an anxious and trying confinement in a

Fort, during the most inclement months of the year,* little adapted for the residence of Europeans, without much more than bare necessities, and deprived of the ordinary conveniences and comforts which are absolutely necessary in this country.

3. The mortality during this period has amounted to twenty-two: of these some were from cholera and small pox,—which terrible diseases broke out in the Fort.

4. As we approached the Town, I may say the whole native population, in addition to the Europeans (Ladies and all), came out to welcome the Column, whose arrival spread the greatest joy and confidence amongst all classes.

5. On its march from Raatghur no opposition was encountered; but on the 31st ultimo, information was brought to me that the Rebels had collected in some force beyond Jilla, about twelve miles from our Camp at Raatghur towards Koryo. I immediately communicated the same to Sir Hugh Rose, who at once arranged to attack them. The result was very successful; the Rebels were driven with much loss from their strong position in the village of Burodia, and for some distance across the river; and they evacuated Koryo (which has been occupied by some of the Regent of Bhopal's Troops) as well as Nurnoli and Bhoplye, two positions from whence they had threatened and molested Saugor, stopping all communication by the direct road via Bhopal and Sehore to Indore and Mhow.

6. I trust I may be permitted to offer my congratulations to the Right Hon'ble the Governor General in Council, on this relief of the last remaining station, wherein our country-women and so many children had been beleaguered. The Officers of the Native Corps, the Civil Establishments, and the Europeans of the Company of Artillery who have so long held the Fort of Saugor, have

well performed their duty, and their conduct will, I am sure, receive the approbation of His Lordship in Council. Cut off from all communication, and with the knowledge that succour could not be sent them for many weeks, they have nobly maintained the character of their country, and added another to the many instances of devotion and firmness which the Sepoy mutinies have elicited.

7. I have appended a Nominal Roll of the Non-Commissioned Officers and Men of the 1st Company, 3rd Battalion, of Bengal Artillery, who were in the Fort of Saugor.

8. Brigadier Sage resigned the Command yesterday before our arrival, Brigadier Wheeler having taken the Command of the Division. He is expected here in a couple of days.

I have, &c.,

(Signed) R. N. C. HAMILTON,
Agent G. G., Central India

BRIGDR GENL G. H. MACGREGOR, C. B.,

Military Commissioner,

TO

THE SECY. TO THE GOVT. OF INDIA,

Foreign Department,

ALLAHABAD.

Camp, Goruckpore, 7th February, 1858.

SIR,

IN continuation of my letter, No. 139, of the 5th Instant, I have the honor to report, for the information of the Right Hon'ble the Governor General in Council, that after pushing forward the 2nd Brigade to Bilwa Bagaar in support of the leading one, as the Enemy was showing a boldness and insolence likely to prove troublesome, Captain Plowden, whom I had entrusted with discretionary power, and whose advice the Maharajah had directed his Officers to follow, resolved to move out and attack the Enemy at Shahgunge.

2. I have the honor to enclose Captain Plowden's account of the very creditable affair which ensued, and which His Lordship in Council will observe was successful, but not decisive, in as far as the destruction of the Enemy's Force or the capture of his Guns was concerned, owing to our want of Cavalry and the inability of the Goorkhas to overtake the flying Enemy. It is to be hoped, however, that the lesson given the Enemy, despite his superiority of numbers, may break up the motley force which threatened the Goruckpore District on the advance of the Maharajah into Oudh.

3. I would call the particular attention of His Lordship in Council to that Para of Captain Plowden's Despatch in which he makes honorable mention of the Goorkha Brigadiers, Run Sing and Jodabear Adhikaree, who displayed great coolness and courage, and a generous confidence in Captain Plowden's advice; also the zealous ability of the Nepaless Artillery Officers, especially of Colonel Jodbeer Sing, Major Ingbeer Kooner, and Captains Indeer Beer Lama and Maan Bahadur. The effective way in which these Officers handled their Guns, decided the day before the Infantry could close.

4. It is also my pleasing duty to bring to the notice of His Lordship in Council the services of Captain Plowden, whose plan of action was well conceived and ably carried out. He appears to have done all he could with the means at his disposal. Captains McNeill and Holland, of the Artillery, and Lieutenants Potts and Cory, of the Infantry, and Messrs Kereton and Forbes, of the Civil Service, rendered good service, and merit my thanks.

I have the honor to be, &c.,

TO

CAPTAIN MACANDREW,

Secy. to the Mily. Commissioner.

Camp, Dilwa Ghat, 6th February 1858.

SIR,

I HAVE the honor to report, for the information of Brigadier General MacGregor, C. B., particulars of an attack made upon the Enemy yesterday by a division of the Goorkha Force under my charge, and which, I am happy to say, resulted in the dispersion of his Force, which amounted to not less than 10,000 men with 8 or 10 Guns.

The Enemy having had the boldness to take up a position within three miles of our Camp, and seize our Camp-followers, I deemed it necessary to attack him.

Having made the necessary arrangements for the protection of our Camp during our absence, I marched yesterday morning with the Force named in the margin

3 Light Field Howitzers,	Artillery.
2 Light Field Guns,	
7 Regiments,	Infantry.
Total aggregate of Force...	3,200

towards the Enemy's position at Shahgunge. On arriving within a mile of the latter place, I observed the Enemy in great force occupying a space of two miles in length. There gave directions for the Force to deploy; five Regiments in line, and one on either flank in reserve in open column of Companies to provide against an attack from the right or left. Four Guns were placed in the centre and three on each flank. In this order we advanced for nearly half a mile, covered by skirmishers. The Enemy simultaneously advanced to meet us, at the same time filing off in masses to our right and left, believing that he might possibly attack our flanks and rear. I halted the line. When he approached within 300 yards, Captain McNeill opened his Battery on his right with most accurate precision, the shells bursting immediately over the Rebels, causing them at once to make a rapid retreat, and seek shelter in villages on their right and left. They were soon driven out of these by the

well directed fire of the Batteries under the superintendence of Captains McNeill and Holland, a shell from the former having set one of the villages on fire. After this the Force continued its advance as far as the village of Shahgunge, driving the Rebels before it, who retreated with such rapidity that they were in a short time out of Gun range.

During the whole of our advance we were threatened on both flanks by large bodies of Sowars and Infantry. Our left was within a short distance of the river, and opposite to the town of Adjondeeah, from which place preparations were making for reinforcing the Rebels with Guns and Cavalry. Knowing this to be the case, I was obliged to be cautious in advancing, and the Enemy was enabled to make off with his Guns, which, however, during the latter part of the action, were never brought nearer to us than 1,000 yards. In his retreat the Enemy abandoned the lumber of a light field piece with ammunition, and which was brought into Camp. I was much struck with the steady advance of our line over a most unfavorable country, having to pass a succession of villages surrounded by fields in an advanced state of cultivation, which much impeded the rapidity of our progress. Our casualties were trifling,—one killed and one wounded,—while that of the Enemy was not less than 50. Some of the killed and wounded they carried off. Amongst the latter was Bani Sing, one of their Chiefs. In conclusion I have to record the services of Brigadier Run Sing and Jodabeer Adhikaree, who both displayed great coolness and courage and generous confidence in my advice. Captains McNeill and Holland have brought to my notice the deserving conduct of Colonel Juddheer Sing, Major Jugbeer Kooner, and Captains Indeer Beer Lama and Maun Bahadur, of the Artillery. I also beg to recognize the meritorious services of the several Colonels Commanding the different Infantry Regiments, while the conduct of the Officers, Non-Commissioned Officers and Men of all branches deserve their high reputation for courage, and merit the gracious approbation of His Highness the Maharajah. My best thanks are due to the European Officers attached to this Force for the support I received from one and all in the field. I beg to mention for favorable notice Captain McNeill, who had charge of the Artillery; Captain Holland, in charge of Brigadier Jodabheer Adhikaree's Brigade, and who also superintended the Battery on the left. The precision with which the Guns were fired elicited the admiration of all. My special thanks are due to Lieutenant Foote, who, besides attending to the duties of Run Sing's Brigade, displayed great activity during the day, and afforded me much assistance in conveying messages.

Lieutenant Cory also did good service with the Brigade to which he was attached.

Surgeons McClelland and Chalmers, and Assistant Surgeon Gee, accompanied the Force.

I cannot conclude without offering my best thanks to Messrs. Brereton and Forbes, of the Civil Service, who accompanied me in the field, and rendered valuable assistance. The former with his Sowars reconnoitred in every direction where danger was apprehended, and brought me information of the approach of the Enemy on our flanks. Mr. Forbes was active in conveying mes-

sages. Mr. Brereton's Sowars have done excellent service, having been employed night and day in patrolling and watching the Ghauts, and have been constantly under fire.

Annexed is the Report from Captain McNeill, in charge of the Artillery attached to this Division.

I have, &c.,

To

CAPTAIN A. FLOWDEN,
In Military Charge of a Division
of the Goorkha Force.
Camp, Bilwa, 6th February 1858.

SIR,

I HAVE the honor to submit, for your consideration, the following details of the part taken in the affair of yesterday, by the Nepaulese Batteries attached to this Division of the Goorkha Force.

2. In conformity with your plan of attack, submitted on the night of the 4th Instant for the approval of Brigadier Run Sing, and so successfully carried out on the following morning, I beg to state that two Guns having been left behind for the protection of the Camp, the remaining ten accompanied your Force, of which a Battery of three Guns were posted in advance of each wing of the Infantry line, while a Battery of four Guns covered the advance of the centre.

3. By this disposition, both our flanks were secured from the attempt of a numerous Cavalry to gain our rear, while a very heavy converging fire was available to break the Enemy's centre.

4. Our Guns first opened fire at a distance of about 4 or 500 yards; but the rapid retreat of the Rebels only permitted them, in a second advance, to come into action when about 8 or 900 yards distant from their opponents.

5. I observed with great satisfaction the precision and effect of the fire of the Nepaulese Artillery, as also the zealous ability of their Officers, especially of Colonel Indheer Sing, Major Jugbeer Kooner, and Captain Indheer Beer Lama and Maun Bahadur.

No. 5.

FROM
LIEUT.-COL. SEATON,
Comdg. Moveable Column.
TO
CAPTAIN STEWART,
Depty. Asst. Adjt. General.
Camp, Khasgunge, 15th December 1857.

SIR,

I HAVE the honor to report, for the information of Major-General Penny, C. B., Commanding Delhi Field Force, that I reached Gungoree, with the Column under my Command on the 15th Instant, where I found Lieutenant-Colonel Farquhar with his Detachment as per margin.

Immediately after encamping I sent a party of Horse, under Captain Hodson, to reconnoitre the road in the direction of Khasgunge as far as Bilram, a village within four miles of that town. Shortly after the party set out, Captain Light, my Orderly Officer, returned with information that the party had discovered the Enemy's Horse advancing at some distance towards our flanks, and presently Captain Hodson himself brought intelligence that the Enemy was approaching in force.

I had kept the Dragoon Horses saddled, so the Troop speedily mounted and moved out in support of the reconnoitering party that was showing front to the Enemy. In the mean time the line turned out. The Troop Horse Artillery, under Captain Bishop, came to the front, speedily followed by 2 Guns under Lieut. Griffin.

As the Enemy's Infantry and Artillery were now plainly visible, I directed Lieut. Col. Kimeside to move forward with the Artillery and engage the Enemy in order to check their advance and give time for the Infantry to disengage itself from the mass of ravines in front and form up.

The Artillery engaged in the most gallant style; but as the Enemy's Horse continued to advance, taking ground to the left apparently with the intention of cutting off the Troop Horse Artillery, I called up the Dragoon in support, and directed Captain Wardlaw, Commanding to charge the Enemy if a favorable opportunity offered.

In the mean time the whole Force moved out and were formed up by Lieut.-Col. Farquhar, of the Belooch Battalion, and Captain Hodson, serving the Enemy's Horse advancing still against our left, anticipated the order I sent him, and moved up with his whole Regiment. The Enemy's fire now began to slacken, and Captain Wardlaw, seeing his opportunity, charged with the Carabineers and Lancers and captured 2 Guns, whilst Captain Hodson, advancing immediately against the Enemy's right, they were driven in utter confusion from the field, hotly pursued by our Cavalry and Artillery.

The Enemy were completely and utterly routed; they abandoned their last Gun and two Ammunition Waggon, and numbers of their Infantry threw away their arms, and hid themselves in the fields, or continued their headlong flight over the Country. Numbers were shot in the fields, and many, rendered desperate by their situation, defended themselves fiercely and were killed.

The Enemy had evidently not expected to meet any Force, except the small Detachment under

Colonel Farquhar; they were therefore astounded by the fire of so many Guns, and by the appearance, on their right, of the large body of Horse under Captain Hodson, so that when charged by Captain Wardlaw, they were instantly routed, and I was unable consequently to bring the Infantry into action; but their presence near at hand enabled me with confidence to order the Cavalry and Artillery to continue the pursuit of the Enemy for several miles, and with great effect.

From my own observation, and the report of others, I estimate the loss of the Enemy as over 200 killed, and as we subsequently learnt, numbers crept away wounded and died.

My own loss was in the Cavalry solely, and amounted to 48. Of these 22 are slightly wounded; but I deeply regret to report the death of that good and gallant Soldier, Captain Wardlaw; his brave brothers in arms, Captain Hudson and Lieut. Vyse, of the 6th Carabineers; and also the severe wound of Captain Head, who Commanded the Detachment 9th Lancers.

The charge executed by the Carabineers and Lancers, led by Captain Wardlaw, was so truly dashing and brilliant, that I could not do otherwise than make most prominent mention of it, and I am sure the Major-General will regret, as deeply as myself, that he and his gallant comrades were not spared to serve their Country on future occasions.

The General will see by the list of Casualties that Captain Hudson's newly raised body of Horse was not at all backward. It rendered excellent service, less it could not do under its distinguished Commander, whom I beg particularly to mention to the Major-General as having, on every possible occasion, rendered me the most effective service, whether in gaining information, reconnoitering the Country, or leading his Regiment.

The Troop of Horse Artillery, under Captain Bishop, and the 2 Guns, under Lieutenant Griffin, the whole Commanded by Lieutenant Colonel Kinsdale, mainly contributed to the defeat of the Enemy, and the Major-General will duly appreciate their coolness and skill. I received the most efficient aid from my Brigade Major, Captain French, and from my Orderly Officer, Captain Light, of the Artillery, who conveyed my order to the Dragoons to charge, and went in with them, and I may say I never saw greater zeal and alacrity displayed than by the Officers who accompanied me to the Field either as Field Engineers or as Volunteers. I could almost regret the Enemy did not make a greater show of resistance.

FROM

LIEUT.-COL. SEATON, C. B.,
Commanding Moveable Column,

TO

CAPTAIN STEWART,
Deputy Asst. Adjutant General.
Camp, Puttiallee, 18th December 1857.

SIR,

I HAVE the honor to report, for the information of the Major-General Commanding Delhi Field Force, that I marched with the Force, as per margin, from Suhawur, at daylight yesterday.

ARTILLERY.
2 18-Pounder Guns.
1 8½ " Howitzer.
8 9 " H. A.
2 4 " Ditto.

CAVALRY.
1st Troop 6th Cavalry.
Detachment of 2nd Lancers.
Hudson's Horse.

INFANTRY.
14th Bengal Fusiliers.
100 8th Europeans.
7th Punjab Infantry.
4 Cos. Sappers.

Having reason to believe the Enemy might be at Puttiallee, I strengthened my Advance Guard with Cavalry and 2 Horse Artillery Guns, whilst Captain

Hodson went forward with a large party of his Regiment, throwing out reconnoitering parties on each flank, so as to give timely notice and prevent all chance of a surprise.

Soon after the Column had cleared the village of Serai Nawabgunge, about four miles West of this place, I received intimation from Captain Hodson that the Enemy's videttes were close in his front, had fired on his party, and retired slowly as he advanced. I immediately sent on the two Horse Artillery Guns attached to the Advance Guard under Lieutenant Deroin to join Captain Hodson, at the same time forming the Infantry up in quarter distance Columns at deploying distance to the right of the road, with Guns on each flank, and the whole of my Cavalry on my extreme right.

Having sent orders to Captain Hodson not to engage the Enemy further, I took the opportunity of serving out the bread and grog to the men, thus allowing time for the heavy Guns, under Lieutenant Gillespie, to arrive. By this time the Enemy had opened fire from 3 Guns at Captain Hodson's party, unreplicated by us until I had got my Infantry near enough to act effectively should the Enemy stand. I now directed Lieutenant-Colonel Kinleside to bring his Artillery into action, which was at once and most effectually done.

Four Horse Artillery Guns, under Lieutenants Deroin and Griffin, dashed to our immediate front, whilst 4 more, under Lieutenant Bishop, taking a detour to the right and wheeling into line, took the Enemy in flank. The Enemy, mean time, had shown his strength, and opened 11 Guns, some of heavy calibre, upon us. By this time the Infantry and heavy Guns topped the rise which had previously hidden them, and the sun being to the back of the foe, shone directly on us, exposing a front so formidable as to deprive him of all further courage to resist. His fire slackened, and at last ceased altogether, and the Horse Artillery limbering up, charged, with some of Hodson's Horse, right into the Enemy's Camp, capturing several Guns in position, all the Camp, Magazine, &c., and cutting down numbers of the Gunners.

My object in keeping so large a body of my Cavalry on my right was now attained, as instead of going through the Town, and being checked

by the numbers of enclosures, gardens, &c., which extend for more than a mile to its East, they went round, and thus came into the open plain beyond, on more even terms with the Enemy. Colonel Kinleside got quickly through the Town, and joining the Cavalry beyond, carried on the pursuit with them. This was kept up for seven miles. The Enemy were cut down on all sides, whilst many were drowned in endeavouring to cross the wheels of the Boor Gunglia to our left, or shot in the water. Several Guns, Tumbrils, &c., were taken in this pursuit.

Meantime directing Captain Stafford with his Regiment to take charge of the Enemy's Camp and the captured Guns, I requested Major Eld to skirmish through the gardens with the Infantry. This was most efficiently performed, and numbers of the Enemy killed.

In this engagement 12 Guns and many Tumbrils were captured, a list of which I have the honor to enclose, and I estimate the loss of the Enemy to be over 700 killed. I might with safety estimate their loss much higher.

My own loss, as the Major-General will perceive from the accompanying Return, was most trifling.

In this, as in the late affair at Gungeree, the Artillery and Cavalry were principally engaged, and in fact the action was fought by them. I cannot speak too highly in their praise, and I beg to mention to the Major-General, Colonel Kinleside, who Commanded the whole of the Artillery, and Lieutenants Bishop, Deroin, and Griffin, who served under him.

To Lieutenant Russell, who Commanded the Dragoons, and his brave comrades, my thanks are specially due for their gallantry in action, and the vigour of their pursuit.

After the action at Gungeree I specially mentioned Captain Hodson and his Regiment. I can but repeat what I then said, and beg that the Major-General will be good enough to bring this Officer, and his great and important services, to the special notice of His Excellency the Commander-in-Chief. The Infantry had no opportunity of coming in contact with the Enemy; but I must beg to mention to the Major-General that on all occasions I have met with the most zealous and efficient support from that good Officer, Major Eld, who on this occasion took Command of the line.

From my Staff Officers, Captain French and Captain Light, I received all that active and zealous assistance I expected from two such efficient Officers. They shared in the pursuit of the Enemy, and I must not omit to mention how much obliged I felt to Captains Taylor and Greaded, who went forward with Captain Hodson to reconnoitre the Enemy's position, protected by a party of Hodson's Horse under Lieutenant McDougall, to whom my thanks are due.

Order Books to be corrected accordingly.

No. 345 of 1858.—The Hon'ble the President of the Council of India in Council is pleased to promote Havildar Punchum Sing, and Naick Pauch Kowree, of the 20th Regiment Native Infantry, to the rank of Jemadar and Havildar respectively, from the 10th May 1857, in consideration of their having saved the life of a British Officer.

No. 347 of 1858.—In continuation of Government General Order, No. 1116, of the 3rd September 1857, the following Extract of a Resolution, passed in the Foreign Department, under date the 8th Instant, is published in General Orders :—

RESOLUTION.—With reference to a question having arisen as to "whether the Rule* of the Financial Department, that Civil Servants are to receive full Salary only up to the end of September, should be held applicable to the Members of the Lucknow Garrison at all, it appears to the President in Council that it would be equitable to exempt the whole Garrison from the operation of the Rule, or at least so to modify it in their case, as that it shall not have effect until the date on which the members of the Garrison having been relieved by the Commander-in-Chief reached Cawnpore. His Honor in Council observes that the Officers and others who were shut up in Lucknow, though their proper duties may have ceased, still continued to serve the Government in a quasi-Military capacity. Their labors were as arduous, their privations much greater than if they had been engaged in their ordinary duties, and under the peculiar circumstances of the case, it is but simple justice to permit all of them to draw the full Salaries of their respective appointments until the end of November last, on the last day of which they arrived at Cawnpore."

His Lordship considers that the excellent services rendered by Lieutenant-Colonel Hinde and Lieutenant Osborne, and by the several Sirdars and Men of the Forces belonging to the Rajahs of Rewah and Nagode, are deserving of the high commendation of the Government of India.

SIR,

I HAVE the honor, to report for the information of Government, that I purpose marching the Rewah Troops back to their own Territory. The objects for which they were required have been attained.

The Force consists of Rewah and Nagode Troops without any discipline and badly equipped, and the Rewah Levies under Colonel Hinde also badly armed. The Troops went into Camp on the 14th November; but owing to want of system and the delays consequent on any move in a Native State,

hardly any thing was done till the 14th December, since which time 6 Forts, 40 Guns, 2 Mortars and 2 Standards have been captured, the Deccan Road has been opened, Dawk and Police Chowkies have been re-established, order restored in the Myhere Territory; the Bijeraooghar Territory annexed, Tehsildars and Police appointed in it, and 101 prisoners taken, have been sentenced to death, and forwarded to the nearest Military outpost to be executed.

I cannot speak too highly of the services rendered by Colonel Hinde and his Officers. The discipline, coolness under fire, cheerfulness and zeal of the men, and their admirable Artillery practice, reflect the greatest credit on Colonel Hinde and his Officers. They led the way on every occasion, and their Battery was always the most advanced. Lieutenant Matthias with his Enfield Rifle and his skirmishers, was of great service, frequently preventing the Enemy working his Guns.

Among the Raja's Sirdars—Einbund Pandey, in Chief Command Rewah Troops, Lullaie Singh and Sewgobind Pandey, in Chief Command Nagode Troops, Davy Sing and Bissesshur Singh, have distinguished themselves.

Dinbund Pandey I have found active and zealous, always leading his men, and he has done his work well, though he has had many difficulties to overcome which have been thrown in his way by the unruly Sirdars.

Lullaie Sing and Sewgobind Pandey have given me satisfaction, and have invariably been willing and zealous. Davy Sing;—this Sirdar was instrumental in saving the life of one of the Officers or myself, as a prisoner behind us who had contrived to conceal a sword, made a cut which was fortunately warded off by this Sirdar, whose sword, however, unfortunately broke, and he was severely wounded on the head.

Bissesshur Sing;—this Sirdar has been with me since the outbreak in October, remaining constantly by me. I have found him of great service.

My best thanks are due to Colonel Hinde, being in a bad state of health, and his every zeal and activity have been of the greatest assistance to me.

I have, &c.,

SIR,

I HAVE the honor to report, for the information of Government, that in obedience to Captain Osborne, the Political Agent's orders, I left Rewah with the Levies under my Command on the 14th of December, to open the Jubbalpore Road and to attack the Enemy's Forts on the way.

In conjunction with His Highness the Maha Rajah of Rewah's Troops, together with the Nagode Rajah, I have much pleasure in informing the Government that we took the Forts of Kunchunpore, Goonah, Myhere, Jokai, Khunwara and Bijeraooghar.

We captured 2 Standards, 42 pieces of Ordnance, and a quantity of Government Muskets, with large stores of Grain and Ammunition, and very many Prisoners, amongst whom are many Sirdars of note.

I take this opportunity of recording my sincere thanks to Lieutenant Matthias, my Second in Command, who has rendered me much valuable assistance throughout the Campaign, and especially for the gallant manner in which he in several instances kept down the Enemy's fire by a well-directed fire of Rifles and Musketry. My best thanks are also due to Mr. Kirke, my Interpreter, for his assistance afforded me.

The Governor General entirely concurs with His Excellency the Commander-in-Chief in considering this affair to reflect the highest credit on Captain Alexander and Mr. Hume, as well as Mr. Maconochie, who, with conspicuous bravery and cool determination, led their men against the very superior numbers of the Rebels, and obtained a signal victory over them.

SIR,

I HAVE the honor to forward, for the information of His Excellency the Commander-in-Chief, the accompanying Despatches in original, (two in number,) received from Captain Alexander, Commanding Irregular Horse at Etawah, and Mr. Hume, Magistrate at that Station, giving an account of an action fought by them with the Rebels at Anuntram near Etawah, over whom they gained a complete victory.

2. The Despatches speak for themselves, and I need not bring to the notice of His Excellency the great gallantry and judgment displayed by Messrs. Hume and Maconochie, or Captain Alexander's nerve in consenting to the attack against such odds.

3. I think Captain Alexander could not have received a letter I sent him, prohibiting an attack on those people; but as it has turned out, the victory will be most useful, and tend in a great measure to ensure the tranquillity of the Etawah District.

No. 36.

TO

CAPTAIN HAWES,
Major of Brigade, Futtchgurh,
Camp, Etawah, 8th February 1858.

SIR,

I HAVE the honor to report, for the information of the Brigadier Commanding, that deeming it advisable to visit my outpost at Bukewar, and also reconnoitre the Enemy's position at Anuntram, I proceeded yesterday morning, at day-light, with a party of 30 Sowars of my Regiment, and accompanied by Mr. Hume, the Magistrate, and Mr. Maconochie, the Deputy Magistrate of Etawah.

Ordering the Picquet of 30 Rank and File of my Regiment, and 80 Sowars of the Etawah Local Horse, stationed at Bukewar to fall in, we proceeded to Anuntram, distant 6 miles. We arrived there about 4 past 9 A. M., and found about 700 Matchlockmen, belonging to different loyal Zemindars, ready to join us.

We moved on at once to the Enemy's position, which was about a mile from Anuntram, and found them very strongly posted, stronger than we were led to believe from reports. Their right resting on the Cawnpore road, occupied a large tope of mangoe trees with a wall of 6 feet all round, and a small ditch in front; their left on a

village (Phoolpore), and every grove and field between occupied by them. Their right was the chief position, and looked most formidable the, enclosure swarming with the Enemy, and one Gun facing down the road towards us.

Having reconnoitred, and having been offered the loan of a Gun from Anuntram, we came to the decision of attacking the place. Having shown ourselves to the Enemy, it appeared to us that the effect on the Country around would be very bad did we retire without attempting something; so I formed the Cavalry into three Troops; my own men I took opposite the right rear of the Enemy's entrenchment, and within 300 yards; one Troop I directed to go to the right, and the third to remain in the centre as a support for the Gun, which had by this time come up, and was planted as near as we could judge opposite the Enemy's.

Mr. Hume having with some difficulty collected about 2 or 300 Matchlockmen out of the 700, advanced most gallantly with them towards the entrenchment. The fire of the Enemy had been directed towards my Troop; but seeing the advance of our Matchlockmen, turned it towards them. Our Gun then opened, advancing nearer at each discharge. About the fifth discharge, our Gun was close up to the wall, and a rush being made, headed in the most gallant manner by Mr. Hume, the Enemy began to retreat.

Having already got to their right rear with my Troop of 60 men, the time came for us to act. The word charge was given by me, and in a few seconds we were in the midst of them, sweeping round the rear of the entrenchment to the village on the Enemy's left. Many of the Enemy escaped owing to the great height of cultivation and the villages, where it was impossible for Cavalry to follow, and had the Local Horse acted on the right, when they saw my Troop come round, the victory would have been most complete; but they rendered no assistance at first. However, the Enemy were completely routed, their only Gun, with a quantity of Ammunition, Baggage, Ponies, Matchlocks, Swords, &c., captured, and about 125 killed in the field and six hung. We followed them up for about three miles, and then gave up further pursuit, the Enemy dispersing in all directions, and my party of Cavalry being too small to detach after them; besides we had then come about twenty-five miles, and had to return to Etawah the same evening, which we reached about 7 P. M.

The number of the Enemy could not certainly have been under 12 or 1300 men, including a few Sowars.

Our Casualties were:

Killed.

12 Matchlockmen.

Wounded.

2 Sowars, both severely, } Alexander's
4 Horses, 3 severely, 1 slightly, } Horse.
1 Sowar of Local Horse, slightly.
4 Horses ditto, severely.
15 Matchlockmen.
2 Horses missing.

A copy of Mr. Hume's report to Government is enclosed for the Brigadier's information, and

shows the active and gallant part taken by the Officer and his Matchlockmen.

I now beg to bring to the notice of Brigadier Seaton, C. B., the able assistance I received from Mr. Hume, who gallantly led the assault, and Mr. Maconochie, who accompanied my Troop of Cavalry throughout the day, and was always to the front.

The conduct of my men was admirable, and many individual acts of gallantry were performed. Some of the Sowars of the Local Horse did their duty well, and the conduct of the Matchlockmen who went to the assault, after they once got in to the Enemy, Mr. Hume reports to have been excellent.

I beg to bring all parties concerned to the favorable notice of the Brigadier Commanding, and trust he may deem the affair worthy of being reported to His Excellency the Commander-in-Chief.

I trust the Brigadier will not consider I exceeded my duty in attacking a position I had previously reported as being too strong for the whole of our Force. I think, however, Anuntram will be free from Roop Sing and his followers, for some time to come.

The information regarding the Enemy's Regular Troops at Ajeetmul, and mentioned by Mr. Hume, was only brought to-day; and it is fortunate as things have turned out, that we did not know of it yesterday, for we should not have gone out, and this victory would not have been gained.

I have the honor to be, &c.,

W. R. E. ALEXANDER, Captain,
Commanding Alexander's Horse,
and at Etawah

FROM

A. O. HUME, Esq.,

Offg. Magt. & Collector of Etawah.

TO THE SECT. TO GOVT. OF THE N. W. P., AGRA

Dated 8th February 1858.

SIR,

I HAVE the honor to report that we yesterday obtained a signal success over the Enemy near Anuntram.

2. At 6 A. M. the 7th of February, Captain Alexander, Mr. Maconochie and myself left Etawah with 30 Sowars to visit the Picquet at Bukewar and reconnoitre the Enemy's position beyond. At Bukewar, we were joined by the Picquet, viz., 30 of Alexander's Horse, and about 80 of the Etawah Local Horse. We then pushed on to Anuntram, a small town on the main Oreyah and Cawnpore Road, distant about twenty-one miles from our Camp at Etawah. At Anuntram I called out about 700 of the Matchlockmen posted there to keep the Enemy in check, and taking a small Gun of Rao Juswant Rao's advanced along the main road. About a mile from Anuntram we found the Enemy posted in several dense mango topes surrounded by high earthen banks and occupying the intermediate Urhur and Castor Oil plant fields in skirmishing order. As we drew near, the Enemy concentrated themselves in the two enclosures C and B (see Sketch), still keeping, however, some hundreds of men out as skirmishers in the field immediately surrounding their position. As the banks surrounding the enclosure were not less than six feet high from outside as

there were no entrances, and the branches of the trees came down to within two feet of the top of the bank Captain Alexander, finding that his Cavalry could not attack them with any reasonable chance of success, halted them at D. After consulting him I posted the Local Horse at E, and then leaving them there with orders to cut up any fugitives, drew the men up in a sort of line at G G with the Gun in the centre. The Enemy by this time had opened a smart fire on us, and Captain Alexander, to whom I reported what I had done, as well as the nature of the position which I had closely inspected from N, desired me to advance with the Gun, and Matchlockmen. Koor Lutchmun Sing and 3 or 4 of my own Sowars assisting me manfully, I succeeded in bringing up about 350 of the Matchlockmen into a position K K K, still keeping the Gun in the centre G. Our Matchlockmen nevertheless were no cowards; they fought bravely a little later hand to hand, but they were new to the system of going straight a head at our Enemy, were immensely out numbered, and were obliged to advance under a very heavy fire which, as they could under the most favorable circumstances, see only the heads of their opponents, they could not return with any effect.

3. By degrees, taking advantage of a number of small ridges intervening between us and the point which I had chosen for the attack, I pushed the men on to within twenty yards of the entrenchment, keeping up as we advanced a fire from the Rao's Gun in answer to that of the Enemy. I then ran the Gun up to the little knoll A which, distant about five yards from the entrenchment, gave me the command of the interior. By this time some 3 or 400 of the Enemy ran out of the opposite side of the enclosure in the direction N, N. and were promptly pursued by Captain Alexander and his sixty Troopers, who cut up a considerable number of them, though not without some casualties, as even single fugitives almost without exception turned and fought. The Local Horse did not assist; they had no European Officer I have applied in vain for one, and either would not, or thought they ought not to move without an order to do so. At A we fired one round, and all the men lining that particular portion of the "moorcha" beginning to run, the Matchlockmen made a rush, and to the number of 150 or 200 got in. Just as they did so the Enemy fired their Gun in our faces, doing, however, no damage, and then for the most part throwing away their guns. Both parties went at it with swords. In less than a minute the main body of the Enemy, some 600 strong, ran out in the direction S S S; a few still stood by the Gun. These in a very short time were dispersed, and as I thought either cut up or driven out; but in this I was mistaken, (without uniform it was difficult to distinguish foes from friends,) and we had not proceeded fifty yards in pursuit, when we were stopped by shouts from the rear, and found that the Enemy had re-taken and loaded the Gun. We took it, however, before they could fire it. Lutchmun Sing and I then pushed on with some half dozen Sowars; but the Rebels were too far a head, and we picked up only a few stragglers. Captain Alexander then returned from the pursuit in the direction N N; the Local Horse came up at last, the Enemy was pursued some three miles, and a number more accounted for, one and all.

however, fighting to the last. Nine prisoners were also taken, of whom six were hung. I ought to add that the enclosure C was evacuated directly we took the Gun.

4. The Enemy was certainly not less than 1200 strong when we advanced from the position K K K, and probably numbered not less than 2,000. They had a few Irregular Cavalry, and it is reported about 50 Sepoys; but I saw none of the latter. The former as usual kept well out of range, and ultimately disappeared without showing fight. They lost 125 men killed, their Gun (an iron one) and limber, matchlocks, swords, bundles of clothes, burtons, poneys, &c., in fact their whole Baggage. Our loss was not severe;—12 Matchlockmen were killed, a few (amongst them the brave leader of the Chowdrayan of Binsea's men, Bhowanee Sing) wounded; 2 of Alexander's men and 3 of his horses; 1 of the local Horseman and 4 of the horses badly wounded, and several other men and horses scratched more or less.

5. The pursuit over, we returned with the captured Gun to Etawah, having accomplished the whole affair, including the fifty miles ride, in twelve hours. It may be worth mentioning that the very time we made the attack, Lalpooree Goo-saen, the Nana's Pirohit, with a considerable force of regular Mutineers, was at Ajeetmal, scarcely more than 6 miles from the battle field, so that we rather stole a march on him.

6. I having been chiefly with the Matchlockmen, my account is necessarily a one-sided one; but it must not be supposed that I wish to ignore the services rendered by the rest of the Force. It is true that owing to the nature of the position, the brunt of the assault fell upon the Footmen; but the great loss sustained by the Enemy is chiefly owing to the energetic pursuit by Captain Alexander and his Horse. About 20 were killed in the entrenchment and within a few yards of it by the Matchlockmen; 11 were killed by the small party with me; but the rest were, I believe, to a man cut up by Alexander's Horse; the fugitives, be it remembered, fighting most resolutely, and using swords, spears and matchlocks, but too successfully.

7. The gallant conduct of Koor Lutchmun Sing, my Deputy Magistrate; of Raheem Buksh, a Duffadar, formerly of the Gwalior Contingent, now of the Etawah Local Horse; and of Bhowanee Sing, the leader of the Binsea men, deserves especial notice.

I have, &c.,

General Orders by the Right Hon'ble the Governor General, North-Western Provinces.

No. 28 of 1858.

Separate Revenue Department,

Dated Allahabad, the 18th February 1858.

Notification.—In consequence of the disturbed condition of Bundelcund, and the suspension of a portion of the Customs Line in that quarter, it has become necessary to guard against the importation of smuggled Salt into the Divisions of Allahabad and Benares.

2. The Right Hon'ble the Governor General is pleased, under Section 3 Regulation XIV, of 1848, to notify that a temporary preventive line is established for this purpose. It will be formed by the Jumna from its junction with the Sindh, till it approaches Allahabad, and will run from thence, in the direction of the South-Eastern frontier of the Allahabad and Mirzapore Districts, to a point South of the Sonne.

3. Customs jurisdiction will extend 15 miles to the East and North of this line; but no Salt, excepting such as may be found in transit, will be liable to seizure; nor Salt which has been brought across the Jumna at any point above its junction with the Sindh.

4. Open Chowkees, for the passage of Salt covered by Rowannas, will be established at con-

venient points, which will be duly notified in the Collector's Office, and in the neighbouring Tehseeldares and Thannahs. For Rowannas, on account of Salt to be passed West of Allahabad, the rate of 2 Rupees, and East of Allahabad, 2 Rupees 8 annas, will be levied.

5. The penalties of Act XIV. of 1843, and the provisions of the existing Notifications in reference to the Western line of Customs, will be applicable to the temporary line.

6. Where it can be shown to the satisfaction of the Magistrate and Collector of the District, or the Collector of Customs, that any Salt brought for transit across the temporary line has already paid duty on the Western line, no farther demand will be made.

The line will not interfere with the export of Sugar.

No. 22 of 1858.

Judicial Department.

The Right Hon'ble the Governor General has been pleased to extend to all the Districts of the North-Western Provinces, the provisions of Act VI. of 1858, authorizing the impressment of artisans and laborers for Military works.

WEDNESDAY, MARCH 3, 1853.

Legislative Council of India.

The 27th February 1853.

The following Bill, as settled in Committee of the whole Council is re-published for general information, on the 27th February 1853:—

A Bill for appointing Municipal Commissioners and for raising a Fund for Municipal purposes in the Town of Bombay.

WHEREAS it is expedient to make better provision for the appointment of Commissioners for the Conservancy and improvement of the Town of Bombay, and for assessing and levying rates and taxes for Municipal purposes in the said Town; and whereas it is also expedient to provide additional funds for improving the Drainage of the said Town, and for repaying the expense incurred by Government in the construction of works for supplying water to the said Town; It is enacted as follows:—

I. So much of the 153th Section of the Act of Parliament 33 Geo. III cap 52 as remains in force; so much of Chapters II and IV of Regulation XIX. 1827 of the Bombay Code as remains in force, and so much of Act VII of 1836 as relates to those Chapters; Regulation XXXII. 1827 of the same Code; and Act XI of 1845—are hereby repealed, except so far as they repeal any other Act, and except as to any assessment or tax which shall be unpaid and as to any proceeding for the recovery of the same which shall have been commenced before this Act comes into operation.

II. The assessment on houses, buildings, and grounds, made under the said Statute and the said Act XI of 1845, shall, until revised and altered under the provisions of this Act, remain in full force and effect, and shall

be levied and recovered as a rate payable under this Act.

III. Act XXV of 1856, entitled "An Act to comprise in one Act the provisions necessary for the assessment and collection of Municipal rates and taxes in the Towns of Calcutta, Madras, and Bombay, and the several Stations of the Settlement of Prince of Wales' Island, Singapore, and Malacca," is incorporated with this Act.

In construing the said Act, the expression "the Special Act" shall mean this Act; the expression "the Commissioners" shall mean the Municipal Commissioners constituted by this Act; and the expression "the local Government" shall mean the Governor of Bombay in Council.

IV. There shall be three Commissioners for the purposes of this Act and for the Conservancy and improvement of the Town of Bombay under Act XIV of 1856. The Governor in Council shall appoint one of the Commissioners, who shall be President of the Board of Commissioners. The other two Commissioners shall be elected by Her Majesty's Justices of the Peace in Sessions assembled.

V. The Commissioners shall be styled "The Municipal Commissioners for the Town of Bombay," and shall by such name be a body corporate and have perpetual succession and a common seal, and by such name shall sue and be sued.

VI. The Commissioner appointed by the Governor in Council shall be removable at his pleasure. The two elected Commissioners shall remain in office for a period of three years, and at the end of every three years successively a like new election shall take place, but the same

persons or either of them may be re-elected ; and in the event of a vacancy occurring, by death or otherwise, within the said period, the Justices in Sessions assembled shall, as soon as convenient, elect a person to supply the vacancy until the next triennial election.

VII. The Municipal Commissioners shall meet once at least in every week. The attendance of two shall be necessary to constitute a meeting. At a meeting of two, on questions on which they are divided in opinion, if the President be one of them he shall have a casting vote ; otherwise the question shall be reserved for the decision of a future meeting.

VIII. The Municipal Commissioners may receive such allowances out of the funds to be raised under this Act as shall be, from time to time, fixed by the Governor in Council. Provided that the allowances for any Commissioner shall not exceed the rate of ten thousand Rupees a year, if the Commissioner holds no other appointment or occupation ; or the rate of four thousand Rupees a year, if he holds any other appointment or occupation.

IX. In the execution of this Act and the Incorporated Act, and of Act XIV of 1856, the Commissioners shall not be subject to any check or control on the part of the Justices. Provided that, in respect of any work for the execution of which the consent or sanction of the local Government is necessary under any of the said Acts, and in respect of the regulation of the salaries of Officers appointed under any of the said Acts, the Commissioners shall, before making application to Government, submit a plan of the work or a Schedule of the salaries for the approval of the Justices. When any such plan or Schedule is disapproved by the Justices, the Commissioners, if they see fit, may refer the matter for the decision of the Governor in Council.

X. An annual rate of five per centum of the annual value shall be imposed upon houses, buildings, and lands in the said Town, and shall be payable by the owners thereof in quarterly instalments. Provided that it shall be lawful for the Governor in Council, on the representation of the Justices, to fix, from time to time, in lieu of the said annual rate of five per centum, any higher annual rate not exceeding seven and a half per centum. Any rate so fixed shall be published in the *Government Gazette*, before the commencement of the year in which such rate is to have effect.

XI. Religious edifices, and buildings devoted to charitable purposes, and temporary buildings occupied by European and Native Officers and Soldiers in the service of Her Majesty or of the East India Company doing Regimental duty in the Garrison of Bombay, shall not be liable to the rate.

XII. Buildings owned by Government shall be exempt from the rate so long as the sum of thirteen thousand Rupees, now annually paid by Government in lieu thereof, shall continue to be so paid.

XIII. The Commissioners may exempt from assessment any house, building, or land, the annual value whereof is less than twelve Rupees, if the same be the sole rateable property of the owner.

XIV. When any house shall have been vacant for sixty consecutive days during any year, the Commissioners shall remit so much of the rate for that year as may be proportionate to the number of days the said house may have remained unoccupied ; provided that the owner of such house, or his agent, shall have given notice in writing of the vacancy thereof to the Commissioners, and that the amount of rate to be remitted shall be calculated from the date of the delivery of such notice.

XV. A tax shall be imposed on all carriages, carts, hackeries, horses, ponies, and mules kept within the said Town, and upon all carts and hackeries plying for hire within the said Town or lot for hire and used within the said Town and kept at any place beyond the limits thereof, at the following rates ; and shall be payable quarterly by the owners or persons having charge of the same:

XVII. Every person, who may have owned or had charge of any vehicle or animal kept within the said Town for any number of days in any quarter, shall be liable to the whole tax for that quarter.

XVIII. If a carriage shall have been under repair at a carriage-maker's for the whole period contained in any quarter, no tax shall be leviable in respect of such carriage for that quarter.

XIX. The Commissioners, at their discretion, may compound, for any period not exceeding one year, with livery stable-keepers and other persons keeping carriages and horses for hire, for a certain sum to be paid for the carriages and horses so kept by such persons, in lieu of the taxes specified in Section XV.

XX. Every carriage kept and let out for hire within the said Town; and every cart and hackery kept and used within the said Town; and every cart and hackery plying for hire within the said Town, or let out for hire and used within the said Town, and kept at any place beyond the limits thereof—shall be registered in the Office of the Commissioners with the name and residence of the owner; and shall bear, in such manner as the Commissioners shall direct, the number of such registration. The registration shall be made and the numbers assigned annually, upon such day in each year as the Commissioners shall appoint. Any person becoming possessed, within the year, of any such carriage, cart, or hackery, which has not been registered, may obtain registration on application to the Commissioners at their Office. When any registered carriage, cart, or hackery is transferred within the year, it shall be registered anew in the name of the person to whom it has been transferred. A fee of four annas shall be paid for each registration.

XXI. Whoever keeps any carriage, cart, or hackery required to be registered by the provisions of the last preceding Section, without being so registered, shall, on conviction before a Magistrate, be liable to a fine not exceeding ten Rupees; and the Commissioners, or any Officer duly authorized by them, may seize or cause to be seized any such carriage, cart, or hackery (provided the same be not employed at the time of seizure in the conveyance of any passengers or goods), together with the horses, bullocks, or other animals drawing the same, and may deliver them over to the Police; and all Police Officers are hereby required, on the application of the Commissioners or their Officer as aforesaid, to seize and detain the same. If the carriage or other vehicle as aforesaid be not claimed, or if the fine be not paid within ten days, such carriage or vehicle, together with the animals seized with it, may be sold by auction by order of the Magistrate, and the proceeds applied to the payment of the fine and all costs and charges incurred on account of the detention and sale; and the surplus (if any), if not claimed by the owner within a further period of twenty days, shall be paid to the Municipal Commissioners.

XXII. Duties, at the rates specified in the Schedule annexed to this Act, shall be levied in respect of the several things therein mentioned when imported from any place into the Town of Bombay and intended for consumption or use therein. The said Duties shall be called the Town-Duties, and

shall be leviable in addition to any Customs-Duties prescribed by law.

XXIII. The said Town-Duties shall be levied and collected by and under the management of the Commissioner of Customs of Bombay and his subordinate Officers, who shall have the same powers for collecting and enforcing payment of the said Town-Duties as they now have or shall have in respect of Customs-Duties; and such Commissioner and his subordinate Officers shall have the same privileges and be subject to the same liabilities in respect of anything done by them in collecting and enforcing payment of the said Town-Duties under this Act, as they now have or are subject to under the provisions of any Act in force relating to the said Customs.

XXIV. All monies received by the Commissioner of Customs on account of the Town-Duties shall from time to time, after deducting the charges of collection, be paid into the General Treasury to the credit of the Municipal Commissioners.

XXV. The Governor of Bombay in Council shall have power from time to time to make rules for keeping the accounts of the said Town-Duties, and from time to time to alter or revoke the same; and may by such rules direct what books, accounts, and statements shall be kept by the Commissioner of Customs and at the General Treasury in relation to the said Town-Duties. The Governor in Council may also from time to time fix the charges which the Commissioner of Customs shall be entitled to deduct for the necessary expenses of collecting the said Town-Duties and accounting for the same.

XXVI. All monies received by the Commissioners or paid to their credit by virtue of this Act or of Act XIV of 1856 or of any other Act or Regulation; and all fines and penalties imposed and levied by the Court of Petty Sessions or by any Magistrate of Police or Justice of the Peace within the said Town, and all sums of money collected on account of fees for licenses granted under Act V of 1842, shall form a Fund which shall be called the Municipal Fund of Bombay.

XXVII. All charges and liabilities duly incurred for Municipal purposes, and which would, but for the passing of this Act, be payable from the Municipal Fund as constituted under the provisions of Act XI of 1845, shall be paid from the Municipal Fund constituted under the provisions of this Act.

XXVIII. The Municipal Fund shall be under the direction and management of the Commissioners, who shall submit quarterly, for the information of the Justices, an account of all sums paid into and disbursed from the said Fund. Subject to the deductions and appropriations hereinafter mentioned, the said Fund shall be applied to the purposes of this Act and the Incorporated Act, and of Act XIV of 1856; and to the execution of any public works tending to the improvement of the said Town, which may be sanctioned by the Governor in Council, although not expressly mentioned in any of the said Acts.

XXIX. From and out of the Municipal Fund an annual sum, bearing the same proportion to the annual expenses of the Police of the Town of Bombay as the sum of forty-five thousand Rupees bore to the annual expenses of the Police aforesaid (namely one hundred and sixty-seven thousand five hundred and fifty-three Rupees) at the period of the passing of Act XI of 1845, shall in the first instance be deducted and paid by equal monthly instalments and carried to the credit of the Governor in Council in the General Treasury; to be applied by the Governor in Council for and on account of the expenses of the Police of the Town of Bombay.

XXX. The Commissioners shall pay to the Governor in Council out of the Municipal Fund an annual sum not less than one hundred and seventy-five thousand Rupees on account of the expense which has been or may be incurred by Government in the construction of the works called the Vihar Water-works; and such annual payment shall continue to be made until the whole of the expense so incurred (except such portion thereof, if any, as shall be defrayed by Government out of the public revenue), with interest thereon at the rate of four per centum per annum, shall have been repaid. The Commissioners shall also pay to the Governor in Council in each year such further sum as shall be equal to the cost of the maintenance of the said works during the preceding year.

XXXI. The Commissioners shall carry out, with as little delay as possible, such a complete system of sewerage and drainage within the said Town as shall be directed by the Governor in Council; and until such system of sewerage and drainage has been completed and all the expenses thereof defrayed and all monies borrowed for the payment of such expenses and interest thereon have been repaid, shall set apart for the purposes above-mentioned, out of the Municipal Fund, an annual sum not less than two hundred and fifty thousand Rupees. If such system of sewerage and drainage has been completed, and all the expenses thereof defrayed, and all monies borrowed for the payment of such expenses and interest thereon have been repaid, before the expenses incurred by Government for the construction of the said Vihar Water-works shall have been repaid, the said annual sum of two hundred and fifty thousand Rupees shall be added to the sum of one hundred and seventy-five thousand Rupees directed by the preceding Section to be appropriated annually to the repayment of the expenses of the said works.

XXXII. Whenever the Commissioners shall have incurred any expenses in the execution of any of the works which, under Sections XXIV, LI, and LIII of the said Act XIV of 1856, the owners of any premises, houses, or buildings are required to execute, the Commissioners may either recover the amount of such expenses in the manner therein provided, or, if they think fit, may take engagements from the said owners for the quarterly payment of such sums as will be sufficient to defray the whole amount of the said expenses, with interest thereon at the rate of six per centum per annum, within a period not exceeding

five years; and such sums, when due, may be recovered by the same process by which rates may be recovered under the Incorporated Act.

General Orders by the Hon'ble the President of the Council of India in Council.

Fort William, 1st March 1858.

No. 354 of 1858.—The following Notification, from the Foreign Department with the Right Hon'ble the Governor General, is published in General Orders:—

No. 150.

Camp, Allahabad, the 22nd February 1858.

The Right Hon'ble the Governor General has been pleased to direct that the following letters from Lieutenant-Colonel Hinde, Commanding the Rewah and Nagode Forces, and from Lieutenant Osborne, Political Agent at Rewah, reporting the operations of the Troops under the Command of the former Officer, be published for general information.

His Lordship considers that the excellent services rendered by Lieutenant-Colonel Hinde and Lieutenant Osborne, and by the several Sirdars and Men of the Forces belonging to the Rajahs of Rewah and Nagode, are deserving of the high commendation of the Government of India.

No. 174.

FROM

THE POLITICAL AGENT, REWAH,

TO

COLONEL BIRCH, C. B.,

Mil'y. Secy. to Govt. of India.

Camp, Jorjy, the 12th Feb. 1858.

SIR,

I HAVE the honor to report, for the information of Government, that I purpose marching the Rewah Troops back to their own Territory. The objects for which they were required have been attained.

The Force consists of Rewah and Nagode Troops without any discipline and badly equipped, and the Rewah Levies under Colonel Hinde also badly armed. The Troops went into Camp on the 14th November; but owing to want of system and the delays consequent on any move in a Native State, hardly any thing was done till the 14th December, since which time 6 Forts, 40 Guns, 2 Mortars and 2 Standards have been captured, the Deccan Road has been opened, Dawk and Police Chowkies have been re-established, order restored in the Myhere Territory, the Bijeraogghar Territory annexed, Tehsildars and Police appointed in it, and 101 prisoners taken, have been sentenced to death, and forwarded to the nearest Military Outpost to be executed.

I cannot speak too highly of the services rendered by Colonel Hinde and his Officers. The discipline, coolness under fire, cheerfulness and zeal of the men, and their admirable Artillery practice, reflect the greatest credit on Colonel Hinde and his Officers. They led the way on every occasion, and their Battery was always the most advanced. Lieutenant Matthias, with his Enfield Rifle and his Skirmishers, was of great service, frequently preventing the Enemy working his Guns.

Among the Raja's Sirdars—Dinband Pandey, in Chief Command Rewah Troops, Lullai Singh, and Sewgobind Pandey, in Chief Command Nagode Troops, Davy Sing, and Bisseshur Singh, have distinguished themselves.

Disband Pandey I have found active and zealous, always leading his men, and he has done his work well, though he has had many difficulties to overcome which have been thrown in his way by the unruly Sirdars.

Lullaie Sing and Sewgolind Pandey have given me satisfaction, and have invariably been willing and zealous. Davy Sing;—this Sirdar was instrumental in saving the life of one of the Officers or myself, as a prisoner behind us who had contrived to conceal a sword, made a cut which was fortunately warded off by this Sirdar, whose sword, however, unfortunately broke, and he was severely wounded on the head.

Bissesshur Sing;—this Sirdar has been with me since the outbreak in October, remaining constantly by me. I have found him of great service.

My best thanks are due to Colonel Hinde, being in a bad state of health, and his every zeal and activity have been of the greatest assistance to me.

I have, &c.,

(Signed) W. OSBORNE,
Political Agent.

TO

COLONEL BIRCH, C. B.,
Mil. Secy. to Government.

Camp, Bijesragooghar, 10th Feb. 1858.

SIR,

I HAVE the honor to report, for the information of Government, that in obedience to Captain Osborne, the Political Agent's orders, I left Rewah with the Levies under my Command on the 14th of December, to open the Jubbulpore Road and to attack the Enemy's Forts on the way.

In conjunction with His Highness the Maha Rajah of Rewah's Troops, together with the Nagode Rajah, I have much pleasure in informing the Government that we took the Forts of Kanchunpore, Goonah, Myhere, Jokai, Khunwara and Bijesragooghar.

We captured 2 Standards, 42 pieces of Ordnance, and a quantity of Government Muskets, with large stores of Grain and Ammunition, and very many Prisoners, amongst whom are many Sirdars of note.

I take this opportunity of recording my sincere thanks to Lieutenant Matthias, my Second in Command, who has rendered me much valuable assistance throughout the Campaign, and especially for the gallant manner in which he in several instances kept down the Enemy's fire by a well-directed fire of Rifles and Musketry. My best thanks are also due to Mr. Kirke, my Interpreter, for his assistance afforded me.

I have, &c.,

(Signed) CHAS. HINDE, Lieut.-Col.,
Comdg. Rewah Forces.

XIII. The Commissioners may exempt from assessment any house, building, or land, the annual value whereof is less than twelve Rupees, if the same be the sole rateable property of the owner.

XIV. When any house shall have been vacant for sixty consecutive days during any year, the Commissioners shall remit so much of the rate for that year as may be proportionate to the number of days the said house may have remained unoccupied ; provided that the owner of such house, or his agent, shall have given notice in writing of the vacancy thereof to the Commissioners, and that the amount of rate to be remitted shall be calculated from the date of the delivery of such notice.

If the carriage or other vehicle as aforesaid be not claimed, or if the fine be not paid within ten days, such carriage or vehicle, together with the animals seized with it, may be sold by auction by order of the Magistrate, and the proceeds applied to the payment of the fine and all costs and charges incurred on account of the detention and sale, and the surplus (if any), if not claimed by the owner within a further period of twenty days, shall be paid to the Municipal Commissioners.

XXII. Duties, at the rates specified in the Schedule annexed to this Act, shall be levied in respect of the several things therein mentioned when imported from any place into the Town of Bombay and intended for consumption or use therein. The said Duties shall be called the Town-Duties, and

XXIII. The said Town-Duties shall be levied and collected by and under the management of the Commissioner of Customs of Bombay and his subordinate Officers, who shall have the same powers for collecting and enforcing payment of the said Town-Duties as they now have or shall have in respect of Customs-Duties; and such Commissioner and his subordinate Officers shall have the same privileges and be subject to the same liabilities in respect of anything done by them in collecting and enforcing payment of the said Town-Duties under this Act, as they now have or are subject to under the provisions of any Act in force relating to the said Customs.

XXV. The Governor of Bombay in Council shall have power from time to time to make rules for keeping the accounts of the said Town-Duties, and from time to time to alter or revoke the same; and may by such rules direct what books, accounts, and statements shall be kept by the Commissioner of Customs and at the General Treasury in relation to the said Town-Duties. The Governor in Council may also from time to time fix the charges which the Commissioner of Customs shall be entitled to deduct for the necessary expenses of collecting the said Town-Duties and accounting for the same.

XXVI. All monies received by the Commissioners or paid to their credit by virtue of this Act or of Act XIV of 1856 or of any other Act or Regulation, and all fines and penalties imposed and levied by the Court of Petty Sessions or by any Magistrate of Police or Justice of the Peace within the said Town, and all sums of money collected on account of fees for licenses granted under Act V of 1842, shall form a Fund which shall be called the Municipal Fund of Bombay.

XXVII. All charges and liabilities duly incurred for Municipal purposes, and which would, but for the passing of this Act, be payable from the Municipal Fund as constituted under the provisions of Act XI of 1845, shall be paid from the Municipal Fund constituted under the provisions of this Act.

XXIX. From and out of the Municipal Fund an annual sum, bearing the same proportion to the annual expenses of the Police of the Town of Bombay as the sum of forty-five thousand Rupees bore to the annual expenses of the Police aforesaid (namely one hundred and sixty-seven thousand five hundred and fifty-three Rupees) at the period of the passing of Act XI of 1845, shall in the first instance be deducted and paid by equal monthly instalments and carried to the credit of the Governor in Council in the General Treasury, to be applied by the Governor in Council for and on account of the expenses of the Police of the Town of Bombay.

XXX. The Commissioners shall pay to the Governor in Council out of the Municipal Fund an annual sum not less than one hundred and seventy-five thousand Rupees on account of the expense which has been or may be incurred by Government in the construction of the works called the Velhar Water-works; and such annual payment shall continue to be made until the whole of the expense so incurred (except such portion thereof, if any, as shall be defrayed by Government out of the public revenue), with interest thereon at the rate of four per centum per annum, shall have been repaid. The Commissioners shall also pay to the Governor in Council in each year such further sum as shall be equal to the cost of the maintenance of the said works during the preceding year.

XXXI. The Commissioners shall carry out, with as little delay as possible, such a complete system of sewerage and drainage within the said Town as shall be directed by the Governor in Council; and until such system of sewerage and drainage has been completed and all the expenses thereof defrayed and all monies borrowed for the payment of such expenses and interest thereon have been repaid, shall set apart for the purposes above-mentioned, out of the Municipal Fund, an annual sum not less than two hundred and fifty thousand Rupees. If such system of sewerage and drainage has been completed, and all the expenses thereof defrayed, and all monies borrowed for the payment of such expenses and interest thereon have been repaid, before the expenses incurred by Government for the construction of the said Velhar Water-works shall have been repaid, the said annual sum of two hundred and fifty thousand Rupees shall be added to the sum of one hundred and seventy-five thousand Rupees directed by the preceding Section to be appropriated annually to the repayment of the expenses of the said works.

XXXII. Whenever the Commissioners shall have incurred any expenses in the execution of any of the works which, under Sections XXIV, LI, and LIII of the said Act XIV of 1856, the owners of any premises, houses, or buildings are required to execute, the Commissioners may either recover the amount of such expenses in the manner therein provided, or, if they think fit, may take engagements from the said owners for the quarterly payment of such sums as will be sufficient to defray the whole amount of the said expenses, with interest thereon at the rate of six per centum per annum, within a period not exceeding

five years; and such sums, when due, may be recovered by the same process by which rates may be recovered under the Incorporated Act.
